Hunt Club Farm Day Center Outing

Our visit to Hunt Club Farm was a wonderful opportunity for everyone to enjoy the fall season together. Individuals chose a pumpkin to take home, saw the animals, and took a hayride. Staff supported everyone as they visited the different areas, making sure each person was able to experience the outing comfortably. The group enjoyed plenty of laughs, photos, and shared moments throughout the day.

The outing also gave individuals a chance to socialize, build memories, and engage with the community in a meaningful way. Some individuals conquered some fears and pet different animals. Others enjoyed the peaceful outdoor atmosphere and the chance to relax with friends. Overall, it was a fun, engaging, and successful trip that everyone is looking forward to doing again.

Message from Residential

Please make sure to keep up with each individual's Medicaid renewal so their coverage doesn't lapse. Staying on top of deadlines and sending in any needed paperwork helps make sure they don't lose their services or medical care. Thank you for helping keep everything running smoothly for the people you support.
