*Fees due at time of service.

◆ Dog MUST BE bathed, groomed and ready for the ring to be shown by the handler.

⌘ Light touch-up grooming includes: a light brush out, hair finishing spray, etc as needed at handler's discretion. Handler WILL NOT show a dirty dog.

Ringside Pickup (GROOMING) - \$85-100 base + grooming charge

*Fees due at time of service.

⌘ This price **varies** on how much grooming is needed to make the dog presentable for the show. The dog can not be heavily matted or in poor condition. See "Grooming" for grooming rate.

RINGSIDE PICKUP POLICY

➡ If the dog is enrolled in training with the handler OR has boarded with the handler at least once a month then ringside pickup base rate is discounted to \$85. This allows for the handler to have a bond with the dog, as well as ensure the dog is in proper show condition and has received proper show training.

🐾 Ringside Pickup also includes on showsite 1 on 1 training (if schedule permits).

Ringside pickup base fee does NOT include a pre-calculated portion added for expenses due to the fact expenses are calculated at the end of the show weekend.
