TEACHING AND INSTRUCTION EXPERIENCE:

CERTIFIED MANAGEMENT ACCOUNTANTS OF B.C. (CMA BC)

CMA FastTrack Program delivered at BCIT

Professional Accounting Education | Burnaby, B.C.

PART-TIME INSTRUCTOR

Start Sep/2005 – End Dec/2005

- Delivered CMA FastTrack Program modules FA1, FA2, and FA3, preparing candidates for progression toward the CMA designation.
- Developed and presented lectures aligned with CMA competency frameworks and professional exam requirements.
- Provided academic coaching to adult learners balancing full-time employment with intensive professional studies.
- Built clear, structured teaching methods that made complex accounting concepts digestible, helping CMA candidates gain confidence in foundational and intermediate material.

COAST MOUNTAIN COLLEGE

International Education Delivery (Zhengzhou & Kaifeng, China)

Post-Secondary Education | British Columbia & Henan Province, China

INDEPENDENT CONTRACTOR – INSTRUCTOR

Start Jan/2022 – End Dec/2025

- Managed culturally diverse classrooms through structured lesson planning, patience, and strong cross-cultural communication, while coordinating with local program administrators.
- Created original instructional materials — slides, exercises, quizzes — aligned with Canadian learning outcomes and delivered effectively to international learners.
- Taught Financial Accounting I, Management Accounting II, Finance I, and Business Law to international business students in China, adapting Canadian post-secondary curriculum for delivery in Zhengzhou and Kaifeng campuses.

VANWEST COLLEGE

Private Vocational Post-Secondary Institution | Vancouver, B.C.

INDEPENDENT CONTRACTOR – INSTRUCTOR

Start Nov/2019 – Present

- Developed original instructional materials — Canva and PowerPoint slides, MentiMeter activities, exercises, group work, quizzes, mini-cases, summary problems, and full course schedules aligned with the school's curriculum.
- Taught Introduction to Accounting and Finance to domestic and international students, providing one-on-one academic support for learners needing help with foundational concepts.

- Managed diverse classrooms with varying English-proficiency levels and academic backgrounds while balancing instructional delivery, curriculum development, and assessment design.
- Built a long-term teaching relationship with VanWest College, contributing to student success for more than five years.

PROFESSIONAL EXPERIENCE

RONA/Dick's Lumber & Building Supplies

RONA was founded in Quebec in 1939, Where the Builder's Buy

Lumber Industry | Burnaby, B.C.

SENIOR ACCOUNTANT May 2025 – April 2026 | Reported to Controller

- Managed all internal and external audit requests, Burnaby HQ, ensuring timely responses and complete documentation.
- Led month-end close: prepared adjusting entries, trial balance, and sent financial reporting packages to senior leadership.
- Supervised a three-person cash management team, overseeing daily cash application workflows and providing mentorship and performance guidance. I also entertained a VCC student.
- Reviewed and validated weekly cash-management statistics, stepping in for coverage as needed and supporting workflow..
- Oversaw financial activity for a portfolio averaging \$41M CAD in monthly transactions, maintaining internal controls.
- Drove continuous improvement in month-end quality, with accurate and consistent reporting with Controller as double-check.

WINNERS ONLY (CANADA) ENT LTD.

Since 1989, an industry leader in case goods furniture.

Furniture Industry | Delta, B.C.

CORPORATE ACCOUNTANT Nov 2022 – Apr 2025 | Reported to Vice-President

- Managed full-cycle accounting, including accounts payable, payroll, accounts receivable, and daily general-ledger activity.
- Led month-end close: prepared adjusting entries, finalized trial balance, issued reporting packages to the Vice-President, and coordinated year-end with external accountants.
- Oversaw AR and sales support functions within a headquarters team, maintaining clear communication through the Customer Relationship Database and ensuring accurate customer and revenue data.
- Validated overseas shipment costs ranging from \$40K–\$65K USD, ensuring proper costing and inventory treatment.
- Played a key role in discontinued operation accounting, including final inventory disposition and charitable donation of remaining stock.

JJM CONSTRUCTION LTD.

B.C.'s premiere heavy civil and marine construction firms. Built to Last

Heavy Civil and Marine Construction | Delta, B.C.

PROJECT ACCOUNTANT Sep/2021 - Sep/2022

- Managed progress draws and accounts receivables, including supervising cash receipts from major construction contractors.
- Performed general ledger reconciliations, month-end processes, and project budget-to-actual analysis.
- Held regular meetings with project managers to review financial performance and resolve variances
- Worked within a small headquarters team consisting of the controller, accounts payable manager, and project accountant.
- Supported the controller in navigating a period of constrained cash flow by providing timely reporting for banking discussions and coordinating closely with the accounts payable manager to maintain stable customer credit activity.
- Conducted a safety walkaround and delivered a construction safety officer–style Teams meeting to approximately fifty employees. Projects: Oceanfront Squamish, Crescent Beach Watermain, and North Burnaby Interceptor.
