# ABOUT THE FESTIVAL

Now in its seventh year, the Old Town Festival of Speed & Style, presented by Burke & Herbert Bank, has evolved into one of Alexandria's most anticipated and celebrated annual events. This immersive, high-sensory experience combines automotive excellence, culture, and community, drawing enthusiasts and spectators from across the region and beyond.

Held annually in the heart of historic Old Town Alexandria, the festival spans the lower blocks of King Street between Lee Street and Washington Street, just steps from the waterfront.

Each year, more than 40,000 attendees gather to experience one of the East Coast's premier automotive showcases, attracting both national and international attention while positioning Old Town Alexandria as a destination for unforgettable experiences.

Since its founding in 2019, the Festival has grown into the largest and most impactful event in Old Town Alexandria, consistently setting new benchmarks for attendance, vehicle participation, and charitable giving. To date, the organization has raised over \$200,000 for local charities, reinforcing its commitment to community enrichment. This success is amplified by a comprehensive media strategy leveraging major print, broadcast, and digital platforms to deliver exceptional exposure throughout the greater Washington, D.C. metro area and the Alexandria community—elevating the Festival, spotlighting sponsors, and promoting the city itself.

At its core, the Festival's mission is to deliver a world-class event that celebrates the vibrant spirit and economic vitality of Old Town Alexandria year after year. By drawing thousands of visitors into the city, the Festival generates meaningful foot traffic for local shops, restaurants, and businesses. Sponsors and exhibitors benefit from premium, street-level booth placements throughout the Festival footprint—creating unparalleled opportunities to engage directly with attendees, showcase their brands, and turn excitement into lasting customer relationships.

# OUR CHARITIES

The Old Town Festival of Speed & Style is a 501(c)(3) non-profit organization dedicated to raising and donating funds to local charities. We believe that collective action—no matter how small—can create meaningful, positive change for those in need.

Founded in 1987, the mission of Community Lodgings is to lift families from homelessness and instability to independence and self-sufficiency through transitional housing, affordable housing, and youth education programs.

ALIVE! was founded in 1969 as Alexandria Involved Ecumenically by 14 faith communities in response to rising levels of poverty in the City of Alexandria. ALIVE! is the oldest and largest private safety net in the City of Alexandria dedicated to fighting poverty and hunger.

The Breast Cancer Collective exists to improve the lives of women by removing barriers that prevent them from getting proper screening, diagnosis, and education about breast cancer. Working hard to ensure the organization and oversee that the funds raised directly affect those in need.
