

# Welcome Message from Burke & Herbert Bank:

## **Welcome to the Old Town Festival of Speed & Style presented by Burke & Herbert Bank,**

We are once again delighted to be the title sponsor of the Old Town Festival of Speed & Style presented by Burke & Herbert Bank -- happening right here in our backyard! As Virginia's oldest bank, we've helped build steady prosperity for businesses, families, and communities since 1852, delivering expert guidance, strong local leadership, and an eye to what's next. We see the extraordinary in everyone. This festival brings an extraordinary experience to our community.

### **Support for Local Businesses**

Today, we'll see thousands of car and fashion enthusiasts descend on Old Town to enjoy a day of rare and exotic cars, presentations of style and fashion, live music, and more.

Event participants and visitors also have the opportunity to take advantage of all that makes Alexandria and Old Town so unique, and importantly, support the local restaurants, boutiques, and merchants that make our hometown so special.

### **Support for Local Non-Profits**

We're particularly proud to support the donation of the proceeds from the festival to two local charities: ALIVE! and Community Lodgings, both based in Alexandria. ALIVE! is dedicated to fighting poverty and hunger, and Community Lodgings lifts families from homelessness and instability to independence and self-sufficiency through their Transitional Housing, Affordable Housing and Youth Education programs. Both provide mission critical services to our community.

We look forward to celebrating Speed & Style and all that Alexandria has to offer with you. Look for our team members greeting you at the festival and showcasing the Bank's strength, commitment, and involvement. Just like the high-performance vehicles at the festival, our team will work to power your finances into the future based on your unique needs. More than anything, we are your neighbors and biggest advocates, and we'll champion your success both in business and in life— always trusted, always secure, and always here for you. Let's enjoy the festival!

Sincerely,  
David P. Boyle
