*Pacem in Terris Press is devoted to  
the global vision of Saint John XXIII,  
prophetic founder of Postmodern Catholic Social Teaching  
(using the word “postmodern” in an ecologically regenerative sense),  
and it supports the search for a Postmodern Ecological Civilization  
that will draw on all the eco-spiritual wisdom traditions  
of our global human family.*

*Pacem in Terris Press publishes scholarly books  
directly or indirectly related to Catholic Social Teaching,  
with its local/global commitment to justice, peace, ecology, and eco-spirituality,  
on behalf of the search for a Postmodern Ecological Civilization.*

*In support of ecumenical, interfaith, and spiritual-seeker dialogue,  
Pacem in Terris Press also publishes scholarly books from other Christian perspectives,  
other religious perspectives, and other human perspectives  
that seek justice, peace, ecology, and eco-spirituality for our global human family  
and for our global family of creatures across our home planet Earth.*
