

THE ALL-AROUND FAMILY GELDING EVERYONE IS LOOKING FOR!

CSR HEZA WHISKEY VERSE

6-Year-Old APHA Gelding

Bay Roan

14 HH

If you're looking for a **safe, handy, versatile gelding the whole family can enjoy**, take a look at this guy!

Whiskey is **super safe, easy to ride, soft in the bridle and smooth in his gaits**. He's just as comfortable cruising down the trail as he is working in the arena or putting in a day on the ranch.

HE DOES IT ALL:

- Trail rides
- Rides great in the arena
- Ropes & drags calves
- Works gates
- Side passes
- Soft & responsive
- Smooth and comfortable to ride
- Good stop
- Backs up willingly
- Patterned on barrels & poles

He has the foundation and athletic ability to go in just about any direction. With his experience roping and working calves, he would make a **great breakaway or calf horse prospect**.

At only 6 years old, the possibilities are endless — ranch horse, rope horse, play-day horse, trail horse, family horse, or continue developing him into a performance horse.

Safe, versatile, good-looking and useful — the kind that's hard to find.

He has a clean set of X rays and has already been vetted. He is up to date on shots and coggins and de worming as well.
