

28" x 14" SONIC SCRUB BRUSHES

REMOVE THE TOUGHEST DIRT AND SCUFF MARKS FROM HEAVILY SOILED FLOORS - NOW WITH AUTO SCRUBBERS!

Ideal for daily scrubbing and maintenance on your walk behind and ride on automatic scrubbers. Featuring nylon grit filament, these brushes offer solutions to a wide range of cleaning situations.

KEY BENEFITS SONIC SCRUB - 28" X 14"

- Use on your existing floor machines - no need for new equipment!
- Rectangular shape reaches those hard-to-reach wall edges and corners.
- Designed to outlast your floor pads 20 to 1!
- Bi-level filament reaches deep into grout lines - where floor pads won't!

AUTO SCRUBBERS / RIDE ON MACHINES

Sonic Scrub brushes can now be used on your existing auto scrubbers and ride on machines.

PAD REPLACEMENT

Replace your floor pads with the washable and reusable Sonic Scrub floor brushes to save time and money.

TILE & GROUT SCRUBBING

Grit nylon and polypropylene bi-level tufts maximize brush-to-floor contact.
