| <p>NOTES:<br/>           This material list (call it a kit if you want) will suffice to build a basic version of the NWC Cottager, River, Cruiser, Excurzen or any other tandem you choose. The cedar strips, fiberglass, epoxy and gunwales do not give hoot what canoe design you transform them into.</p> |     |     |       |         |

| <p>Say YES to substitutions and additions. Mix white cedar into the hull for an attractive accent, swap cane seats for web, upgrade to an even more durable two-part urethane varnish, cherry or walnut parts. You'll find everything you need to build your canoe at our Saint Paul shop and on our webstore.</p> <p>Live far away? Get all of your canoe building supplies freight free. NWC can ship 8-foot strips and a knockdown gunwale kit. Canoe-length strips and gunwales can ship LTL anywhere in the lower '48 for \$275. Place one order or order what you need when you need it. It's your canoe building project... we're just the enablers.</p> |     |     |      |        |
