ABOUT US

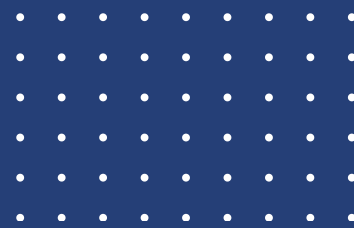

The African Methodist Episcopal (A.M.E.) Church, established in 1816, holds a distinctive place in history as the first major religious denomination in the Western World to be founded due to sociological and theological differences.

The mission of the A.M.E. Church is to minister to the spiritual, intellectual, physical, emotional, and environmental needs of all people by spreading Christ's liberating gospel through word and deed. At every level of the Connection and in every local church, the AME Church carries out the spirit of the original Free African Society, from which it evolved, seeking to save the lost and serve the needy.

The ultimate purposes are:

1. Make available God's biblical principles,
2. Spread Christ's liberating gospel, and
3. Provide continuing programs that will enhance the entire social development of all people.

OUR PROJECT

Royal Affair

Event Overview: "Royal Affair, is a distinguished event designed to bring our district together in fellowship and purpose. These gathering aims to unite us in community, joy, and a shared commitment to God's work, while raising essential funds to support our churches. The Royal Affair seeks to bring together 350 persons from across the state. Attendees will have the opportunity to network, share insights, and return to their homes equipped with renewed vigor and valuable information.

Purpose: The funds raised from "A Royal Affair" will be instrumental in revitalizing our district churches. Specifically, the proceeds will be allocated towards repairing and refurbishing aging church buildings, overhauling outdated air conditioning units, and supporting community outreach programs such as clothing and feeding the hungry. By investing in these critical areas, we aim to strengthen our infrastructure and enhance our capacity to serve the communities that rely on us. Your sponsorship will not only contribute to the success of this event but also play a vital role in sustaining the essential services our churches provide.

Impact Over the Course of the Year: There are 23 churches located in the Orlando District, spread throughout the Central Florida Region. Your sponsorship provides visibility for your organization to thousands within our communities including the Royal Affair Gala, four multi-day community centric events engaging largely diverse, multi-generational audiences, held over the course of the year. With your selection, visibility is available, on all District publications, our website and social media pages. We invite you to explore the options!
