

CRAIG STUBBS · FOUNDER

Your publisher, start to finish

From manuscript *to* *marketplace.*

You wrote the book. We turn it into one — typeset, covered, registered and ready to sell on Amazon, Book Vault or your very own author website.

HARDBACK

PAPERBACK

EBOOK

You bring the words. *We make them unmissable.*

Self-publishing shouldn't mean looking self-published. We handle the technical heavy lifting — the typesetting, the design, the registration, the fiddly file specs — so you can stay focused on the writing, and your book lands on the shelf looking every inch a professional release.

01 · INTERIOR

Expert Book Formatting

Your manuscript, transformed into a beautifully typeset book that readers never want to put down.

- Custom typography and elegant chapter openings
- Drop caps, scene breaks and front & back matter
- Precise alignment, optimised for print and e-readers

£400

per title + VAT

02 · COVER

Bespoke Cover Design

Readers do judge a book by its cover. Ours are built to stop the scroll and win the click.

- Full wrap: front, spine and back cover
- Designed to speak your genre's visual language
- Thumbnail-tested to pop on crowded digital shelves

£600

per title + VAT

03 · REGISTRATION

Official ISBN Supply

Your book's passport to global retail — without the admin.

- Unique ISBN issued under the Hugh Janus Publishing imprint
- Registered with Nielsen BookData on your behalf
- Properly indexed so booksellers worldwide can find you

£30

Our Manuscript to Marketplace service hands you precision-engineered files built to the exact specifications of the platforms that matter. No rejected uploads, no guesswork — just click, publish and start selling.

Amazon KDP

Perfectly sized files for Kindle eBook plus print-on-demand paperback and hardback — ready for the world's biggest bookshop.

Book Vault

High-quality UK and US print distribution with direct-to-consumer integration — ideal for authors who want more control.

SELL DIRECT · KEEP MORE

Expand your *empire.*

Why hand a slice of every sale to the middleman? We design and build your own professional author website, fully wired to Payhip and Book Vault. A reader buys on your site, the payment is taken securely, and their book is printed and shipped to their door — automatically, while you get on with writing the next one.

Bigger margins

Cut out the middleman on every direct sale.

Your readers

Own the relationship with the people who buy you.

Zero admin

No stock, no packing, no post-office queues.

Four steps to *published.*

1 Send your manuscript

Tell us your vision, your genre and the formats you want.

2 We design & typeset

Interior, cover and ISBN — handled by one team.

3 You approve

Review the finished book and sign it off with confidence.

4 Upload & launch

Upload-ready files for KDP, Book Vault or your own site.

“Every author deserves a book they're proud to hand over. My job is to take the stress out of publishing so you can enjoy the part that matters — seeing your name on the cover.”
