STRATEGY TO CONTACT US SENATORS REQUESTING SENATE MAJORITY LEADER THUNE TO PRIORITIZE THE SAVE AMERICA ACT

The back story and issue: The SAVE ACTS status Name has changed to the SAVE America Act to include a Voter ID

The *SAVE America Act* would protect and preserve the right of American citizens to vote by:

- Requiring individuals to present an eligible photo identification document before voting. (*NEW provision*)
- Requiring states to obtain proof of citizenship – in person – when registering an individual to vote. (*From original SAVE Act*)
- Requiring states to remove non-citizens from existing voter rolls. (*From original SAVE Act*)
- At least 48 Republicans in the Senate have signed on as co-sponsors of the bill, according to congressional records, 17 of which joined in January alone. Utah Sen. John Curtis is a co-sponsor.
- Senate Majority Leader John Thune, R-S.D., indicated support for the SAVE Act this week, telling reporters he will schedule a vote “at some point.”
- It will fail as a standalone measure in the Senate. That is why leadership plans to bundle five appropriation bills together; however, the DHS bill will be a standalone and MUST have the SAVE Act attached, as per Rep Luna in the House.

Our Goals are:

1. Increase the pressure on Senate Majority Leader John Thune and other Senators to prioritize the SAVE America ACT, place on the legislative calendar.
2. Call directly the Senate offices rather than emails for greater impact.
3. Thank the Senators Cruz and Cornyn for co-sponsoring the act.
4. See list of names and phone numbers to call.

Phone number and office of:

1. Senator Mike Lee: express your support and appreciation to move on Majority leader to place the SAVE America ACT on the calendar and add to an appropriations bill that will allow the act to pass.

At a minimum, make these calls once a week. Addresses are included if you would like to also send postcards or write letters.

This is on the fast track to being voted on. These states do not require photo IDs to vote in person: Alaska, Colorado, Connecticut, Delaware, North Dakota, Virginia, West Virginia, Wyoming. Arizona and Montana will accept other forms of identification without a photo.

Thank you appreciate your involvement. Together we can make a difference for our country's future.
