DAVID
AINSWORTH SR.
— FOR CORPUS CHRISTI MAYOR —

Corpus Christi has given my family and me so much. It is the city I have called home my entire life, where I built my business, raised my family, and formed lasting friendships throughout our community.

Our city stands at an important moment. We have tremendous opportunities ahead, with billions of dollars of investment flowing into our region, a growing port, a strong military presence, and an economy that continues to expand.

But success should not only be measured by headlines or economic reports.

It should be measured by what residents experience every day.

Are our neighborhoods improving?

Are our streets and infrastructure being maintained?

Do families feel safe?

Are young people choosing to stay and build their future here?

I believe Corpus Christi's growth must translate into a better quality of life for the people who call this city home.

That's why I'm running for Mayor.

I'm proud to be a candidate for Mayor of Corpus Christi.

During my time on the City Council, we've started important work and projects that I believe need to be seen through. I'm running for mayor because I want to continue that work, provide steady and accountable leadership, and help lead our community through the water challenges facing Corpus Christi.

There is still a lot to accomplish, and the decisions we make now will have a lasting impact on our city's future. I would be honored to earn your support as we work together for a stronger future for Corpus Christi.

Corpus Christi has a problem and we can't ignore it!

Water is not just an issue. It is the foundation of our city's future. Without a reliable water supply, we cannot grow, we cannot attract business, and we cannot protect the quality of life our families deserve.

I'm running for City Council District 1 because we need action... not talk. We need leadership that is willing to make tough decisions and move projects forward.

This campaign is about accountability, results, and putting our community first. I want to hear from you and work alongside you to move Corpus Christi in the right direction.

A LETTER TO THE PEOPLE OF CORPUS CHRISTI

If you've found your way here, chances are you're looking to learn more about the 2026 Corpus Christi City Council election, the candidates running for office, or the people asking to represent our community. Thank you for taking the time to learn before casting your vote.

My name is Michael Miller, and I'm running for an At-Large seat on the Corpus Christi City Council because I believe our city deserves thoughtful leadership, long-term planning, and practical solutions that improve everyday life for the people who call Corpus Christi home.

Like many of you, I want to see a city that continues to grow while protecting what makes our community special. I want safer neighborhoods, stronger infrastructure, reliable water for future generations, better maintained streets, and a local government that earns the public's trust through transparency and accountability.
