

VRMC Update May 2026

On 05/20/2026 and 05/29/2026 I requested and received the current copy of the Nueces County Voter Roll. I compared it to all outstanding submissions that have been made to the VR's office. All outstanding categories have been updated as of 05/29/2026. The Voter Registrar office has only updated deceased due to the hold time period before the Primary and Runoff elections.

On 05/09/2026 I gave another introductory training course on ELLY at Jason's Deli after the John Birch Society (JBS) meeting. After the presentation Chuck Burnett asked if we could give this presentation to other John Birch Society chapters (starting with Bexar County). On 05/28/2026 I gave a modified presentation (using Bexar County ELLY data) to the Bexar county John Birch Society and a couple of EIP organizations. EIPNC made a good showing with Pam, Brian, and David also in attendance. Our plan is to start educating the surrounding communities about ELLY's advantages to Voter Roll Maintenance and keeping a clean up-to-date Voter Roll. The plan is to continue to give this presentation, using the target audience ELLY data, to better show the importance of Voter Roll Maintenance.

We are currently working on a brief presentation to give to Kevin Kieschnick, then Connie Scott, and then to the Commissioners Court covering ELLY's potential savings to the County. It will also show the CASS system addresses and their benefits.
