## Goldtooth Gratitude

Gratitude comes easily to Tony Goldtooth of Shiprock! In a recent interview, Tony expressed, for himself and his family, thoughts of heartfelt appreciation:

**\*\*We truly give honor to our Heavenly Father that He has touched the hearts of our church leaders to develop this radio ministry to Native Americans and others in our area.**

**\*\*We are grateful that the radio ministry of Diné Adventist Radio has become available during these important last days of preparing for the soon coming of Jesus.**

**\*\*We praise God that the emphasis on spreading the gospel in far away countries has gained an updated focus which includes reaching the populations of the Navajo Nation, Southwest Tribes, and other radio listeners right here in the Four Corners area.**

**\*\*Knowing that many who live on the reservation gather their news and daily communication from radio, we are delighted that listeners will have healing, uplifting, and redemptive radio programming available.**

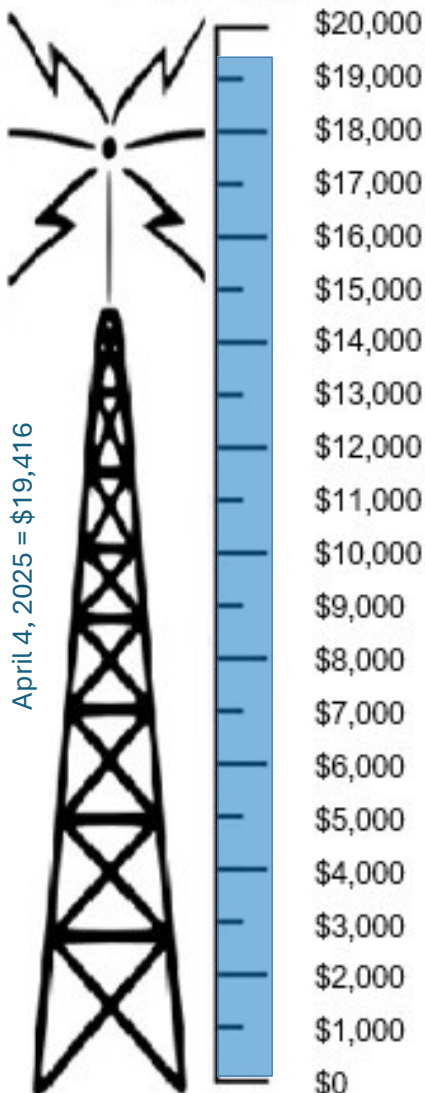

**\*\*Our sincere gratitude goes to Adventist World Radio, to Diné Adventist Radio, and to their generous supporters for investing in the possibility of salvation for our people.**

**\*\*We rejoice when we hear reports of listeners who make prayer requests, ask for Bible studies, study for baptism, and experience blessings from listening to the DAR programs.**

**\*\*Our humble prayers and praises are offered as the Spirit of God softens the hearts of our Navajo people as well as other tribes and people who receive the radio broadcasts.**

A resounding "AMEN" to Tony's praises. Please join with Tony and his family offering your own united prayers for the hearts of radio listeners to be drawn to God's truth.

### FUNDING

## WORSHIP WITH LA VIDA

On March 1, 2025 the worship service at Piñon Hills SDA Church was led by students from La Vida Mission. Their songs and presentation of the Sanctuary message brought inspiration and encouragement to all who were present.

The students and staff brought to mind an old adage which says, "May your tribe increase!" These beautiful Navajo Christians are a representation of those who have chosen to respond to the love of Jesus Christ!

Through Diné Adventist Radio and Bisti Broadcasting we can trust that there will be a literal increase of Christian believers among the Navajo population as well as many others who will have an opportunity to hear the gospel of the Kingdom of Heaven presented bi-lingually in Navajo and English.

Bisti Broadcasting, Inc. is a 401(c)3 Tax Exempt Charitable Organization. Your gift by check or money order can be mailed to: Bisti Broadcasting, 1108 N Chaparral Street, Bloomfield, NM 87413. You will receive a tax-deductible receipt directly from Bisti Broadcasting. Contributions through Piñon Hills SDA Church will be receipted by our church treasurer.
