THE "LILY" OF RADIO MINISTRY

In the silence of the garden, where the winter shadows lay,
A humble bulb was hidden, tucked in blankets made of clay.
It did not fight the darkness, nor did it fear the night,
It simply waited for the call to step into the light.

Then came the warmth of morning and sunshine of the day,
And from the earth, a miracle began to find its way.
No longer brown and buried, it rose in robes of white,
A living piece of heaven, reflecting holy light.

With petals shaped like trumpets, it turns toward the sky,
To tell the ancient story of God's love that cannot die.
It breathes a scent of mercy; it wears a crown of grace,
A witness to our Savior's call to all within this place.

So as you expect the lily, let your eager heart be still—
For life is always blooming, according to God's will.

TOWER INSTALLATION UPDATE~

In our March newsletter we saw the arrival of the tower and a glimpse of the planning stage. The tentative construction date of March 9 was met! The following photos will give you an idea of the activities that day. We experienced God's protection and blessing and much was accomplished. The two bottom sections of the tower were raised and secured. At that point there was extensive discussion about the relationship between the tower height and the relationship to the church building. Our Engineer, Jim Burt, did some restudy and recommended that we needed another 10' section before adding the 8' top section. His recalculations of the situation brought into consideration our FCC construction permit and it was determined that the added height could be accommodated. With LPFM -- higher is better. (CONTINUED ON PAGE 2)

(CONTINUED FROM PAGE 1)

Therefore, another 10' tower section was ordered and has now arrived. The follow-up construction date is tentatively scheduled for April 15, 2026. Bisti Broadcasting is like the Lily in the poem – God is in control and His timing is perfect!

Thank you for your prayers – those already answered and those that will be answered! A big thank you, also to the “crew” members who participated in the first stage of construction. We will see you again for phase two!

From Handshake (Engineer & Construction Contractor) TO View from the top!

Thank you for your interest in Bisti Broadcasting, your prayers, and your financial support. Remember that your tax deductible donations can be given through Piñon Hills SDA Church or online through Adventist Giving. Direct gifts by check or money order should be mailed to Bisti Broadcasting, 1108 N Chaparral Street, Bloomfield, NM 87413. Receipts for mailed contributions will be sent from Bisti Broadcasting which is a 501(c)(3) Non-profit Charitable Corporation.
