The 2025 General Conference Session in St Louis, MO stirred the hearts of those who attended personally and those who were participating online! The constantly repeated thoughts included "PENTECOST 2025" and "TOTAL MEMBER INVOLVEMENT" along with the "I WILL GO" challenge that was featured at the Native Camp Meeting at La Vida!

"Faith in Action" through Bisti Broadcasting and our part in radio ministry to the Navajo Nation entered my thoughts in dozens of ways. The NAD (North American Division) report reinforced my thinking! It mentioned numerous radio ministries and specifically highlighted the March 2025 grand opening of

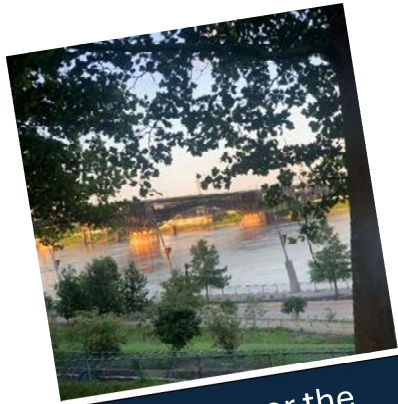

Diné Adventist Radio under the guidance of Native American Ministries, a department of the GC. This full power station was described as a "quiet but powerful breakthrough for a project that had been years in the making". Radio ministry was included in "Faith is not just something we believe; it is something we do."

At the onset of Pentecost 2025 the NAD goal was to hold 3,000 soul winning initiatives during 2025. As of the report in St Louis the number had far surpassed the original goal with 5,200 churches and schools participating. What a privilege is ours to be one of those participating churches! The NAD report offered this assurance "This is our time. As our journey on this earth draws to a close, the Spirit of God will be manifested again just as it was at Pentecost. We are commissioned to be ambassadors of hope, compassion and truth actively participating in God's redemptive outreach to humanity." Bisti Broadcasting is one way we can join others to "reach hearts longing for the wholeness found in Jesus." Maranatha! Come, Lord Jesus.
