APPRECIATION AND FUNDING UPDATE

You will quickly notice that our FUNDING graph looks less impressive than it did in the last issue! The changes in the world around us touch all aspects of our lives. In this case, the change is D-E-L-A-Y!! The \$7,000 which Adventist World Radio (AWR) has voted to donate to our radio ministry has been put on temporary hold. Due to government audits now taking place, AWR is one of our SDA organizations which has been asked to hold all funding for the immediate future. Hopefully this hold will pass quickly. In the meantime, take a joyful look at what God's stewards have contributed toward our radio ministry!! The donations by YOU, the generous members of Piñon Hills and Aztec SDA churches, are "in the bank"! With the funds already deposited, we need only \$500 more to meet the quoted price for the necessary start-up radio station equipment!! Thank you sincerely for your faithfulness. God bless you as you keep our radio ministry in your hearts, prayers, and giving.

I WILL GO

We have been called to follow Christ,
We are to preach, we are to teach, we are to fight,
So where you lead me, I will go.
Touch my lips, by your strength, I will go.

The theme song at the Native Camp Meeting held at La Vida Mission kept echoing in my mind throughout my observations:

>>The entry way table set up by Adventist World Radio (AWR) and Diné Adventist Radio (DAR). The give-away lapel pins, the markers, the advertising ballpoint

pens, the interesting brochures with miracle conversion stories all made me wonder how soon can Bisti Broadcasting be a part of "I Will Go"?

>>The special music by the Piñon Hill Choir singing "How Great Thou Art". The song caused me to think about how our PHSDA church can best tell the Navajo Nation around us of the great God who loves us and gave His son to die for us. I also prayed silently for the blessing of our great God on those who have embraced this developing radio ministry by prayers, encouragement, and financial support toward "I Will Go".

>> The morning sermon by Elder Rick Rimmers who is in charge of NAD Native American Ministries. The message challenged each listener to a closer prayer relationship with God. Am I really praying as

earnestly and fervently as I can for the success of the radio ministry to the Navajo Nation and contributing personally as a part of “I Will Go”?

>>The afternoon baptismal service. Witnessing the public demonstration of seven new Navajo Christians joining the ranks of God’s remnant church, a thrill that we can hope for time and time again if we truly embrace “I Will Go”.

>>Testimonies of lives touched by God’s truth and personalized miracles.

Restored families, deliverance from addictions, physical healing, and new-found happiness were all credited to God’s mercy

reaching hearts because someone truly fulfilled “I Will Go”.

>>The congregational Songs. United voices singing praises in Navajo and English brought thoughts of Heaven where we will all be able to join into songs of praise for each soul ransomed through the blood of Jesus and rejoice for each child of God saved because someone truly committed to “I Will Go”.

TWO QUOTES TO PONDER--

Steve Pester of DAR: “This is not just about launching a radio station. It’s about being a voice of hope in every hogan, every truck, every quiet corner of the desert.”

Darryl Hosford of ASAP Ministries: “If your life was like a match and you only had one, where would you strike it? In a place already filled with light—or in a place still waiting for it?”
