

TALASKLOSS

PHOTOGRAPHY FOR BEGINNERS : BASIC! - J TALAS

www.jtalas.com

01 INTRO TO PHOTOGRAPHY

Learn what photography is and why it's a powerful storytelling tool. We'll cover the main types of cameras and lenses, plus how each can shape your shooting experience. Dito magsisimula ang solid foundation mo. LEZZGOWWW!

PDF

02

EXPOSURE TRIANGLE

Understand aperture, shutter speed, and ISO, and learn how to apply them in real situations—knowing exactly what to adjust and when.

VIDEO

03

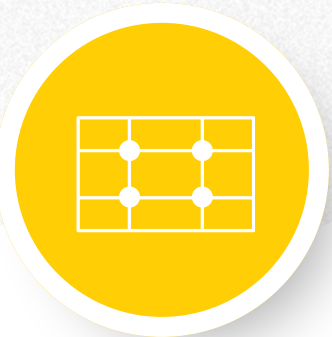

GEAR ACQUISITION

Camera types like DSLR, mirrorless, and even smartphones. Learn the must-have accessories, how to choose the right lens and gears.

PDF

04

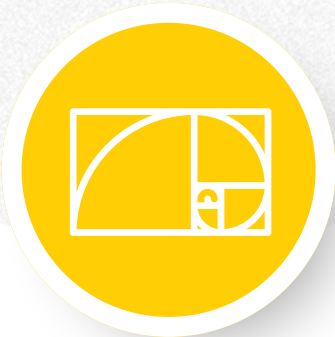

BASIC COMPOSITION

Simple and easy-to-execute composition techniques that instantly make your shots look better.

VIDEO

05

ADVANCE COMPOSITION

More creative and technical approaches that require a keener eye for detail.

VIDEO

06

BASIC FLASH PHOTOGRAPHY

Discover how on-camera flash works, when to use it, and how to soften light for natural-looking results.

VIDEO

07

OFF-CAMERA FLASH

Level up by using flash off the camera. Learn about triggers, stands, and modifiers.

VIDEO

HERE'S WHAT YOU'LL GET

5 Video Lessons via YouTube links

Post your questions in the comments or on our YouTube Community and I'll answer through comments, shorts/reels, or in our scheduled online group meetings

YouTube Live Access

Watch the behind the scenes of selected photography projects in real-time.

PDF & Infographic Guides

Buong course topics in J TALAS style para madali mong ma-absorb

Internship Experience

Join actual shoots and gain hands-on experience. **Lezzgoww!**

Online Group Coaching & Mentoring

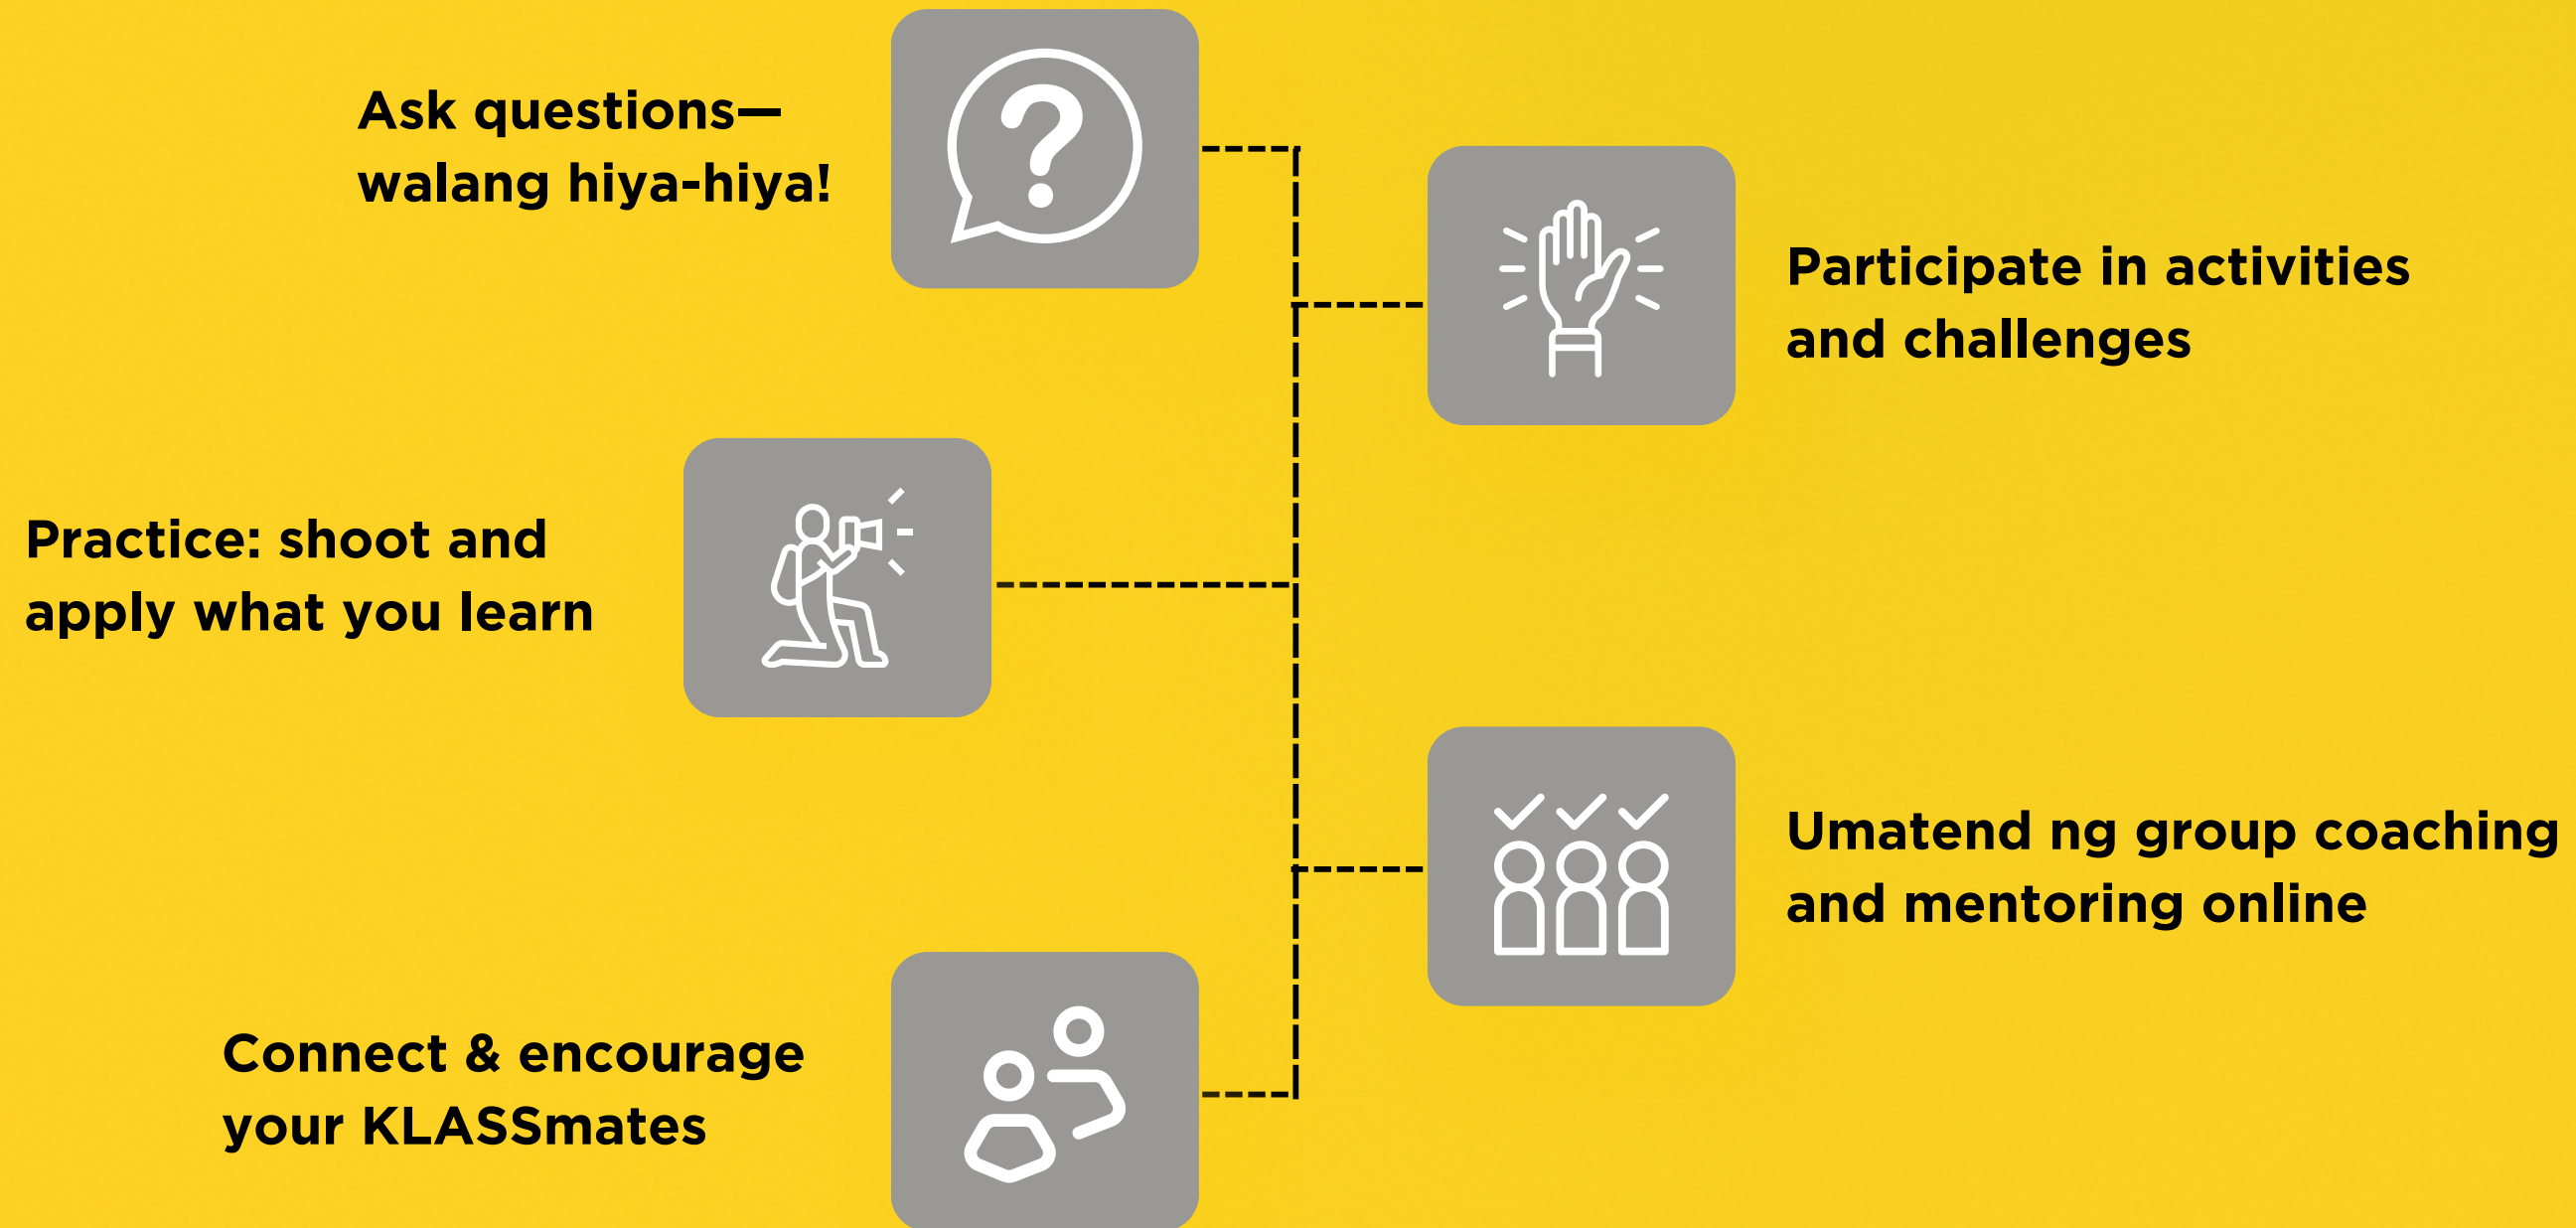

Para masagot ang tanong mo at matutukan ang progress mo (45 min.)
