School Philosophy

We provide enjoyable dance tuition to students of all ages in a safe and friendly environment. We believe that dancing should be fun whilst also providing the opportunity for students to develop their abilities. We acknowledge that dance classes are only one aspect of a child's learning and therefore we aim to provide quality tuition at an affordable price.

Our Responsibility

Our responsibility for your child is while they are in the studio during their scheduled class time. Once the class is dismissed, a parent or guardian must collect them from inside the studio. If you are running late, you must notify us by phone or text so we can continue supervision until you arrive. After night classes, dancers and teachers will be escorted to their cars.

Child Safety Policy

Take 2 has a Code of Conduct and a Child Safety Policy and we expect all students and parents to abide by this. These can be found on our website or we can give you a copy if required. Negative comment on Social Media directed at Take 2 Dance, Teachers, Students or Parents will not be tolerated.

Commitment to Dance

Once you join dancing you commit to attending all lessons from February to November. We run by the public school term dates which finishes with our annual concerts in October/ November. Check the important dates as it is compulsory to attend the 2 rehearsals and 2 concerts.

How To Pay

Once it has been established which classes your child will be attending, a Term Invoice will be emailed to you from Xero. Payments can be made in three ways:

Direct Deposit (Preferred):

BSB: 325185

Account Number: 03721188

Name: Take 2 Dance Studio

State your invoice number on your transfer.

Eftpos is available and cash can be taken by Brian during the student's classes.

SA Sports Vouchers can be used to pay for fees or costume fund. This year you can use 2x \$100 Sport Vouchers for students from R to Year 9. You need to lodge 2 vouchers to get the \$200 for dancing. You can get the voucher from their website or we have them at dancing.

Costumes

As we order costumes or accessories, you will receive a tax invoice for the costume cost.

We say to allow \$100 for each costume that your dancer will need.

Fees

Term fees must be paid by Week 5, or via a regular payment arrangement, preferably by direct debit. All fees from the previous term must be paid in full before the start of a new term. If you would like assistance setting up a direct debit, Brian can help calculate a suitable weekly payment amount.

Classes

It is important for students to attend ALL classes.

The first week of term will be treated as a trial week, during which class levels will be confirmed. Older students wishing to begin Tap or Ballet without prior experience may be asked to attend an additional class to develop basic technique.

To minimise distractions, parents are not permitted to observe classes. Each lesson begins with a warm-up and stretching, so it is essential that students arrive on time.

If you are concerned that your child may feel shy or upset, please speak with their teacher. Should any ongoing issues arise during class time, teachers will discuss these privately with parents.

Teachers reserve the right to advise if a child is not yet suitable or is too young for a particular class, and parents are asked to respect these decisions.

Important: If your child is unwell or you will be away, please notify the teacher by phone or text message as soon as possible.

Classes

We offer 10 styles of dancing: Classical Ballet, Contemporary, Lyrical, Pointe, Jazz, Tap, HipHop, Acro, Song and Dance & Musical Theatre

Classical Ballet - Characterised by a standard vocabulary of steps, poses and graceful movements including pointed feet, rising, jumping, stretching and spinning. It is strengthening, disciplined and stylised. The class starts with exercises at the barre followed by centre work. Classical ballet develops flexibility and coordination, and therefore is the basis of all dance.

Contemporary - Contemporary dance is a style of expressive dance that combines elements of several dance genres including Jazz, Acro and classical Ballet. Contemporary dancers strive to connect the mind and the body through fluid movements and tell a story through dance.

Lyrical - Lyrical dance is a style that combines various aspects of Ballet, Jazz, Acrobatics and Modern Dance

Jazz - Incorporates a broad range of dance styles. Modern jazz originated in the 1950's. Jazz dancers benefit from a sound working knowledge of Ballet technique, and, consequently, jazz curriculum commonly includes ballet training. Dancers who have mastered jazz dance technique are free to focus on the stylistic and performance aspects of dance.

Tap - Characterised by a tapping sound that is created from metal plates that are attached to both the toes and heel of the dancer's shoes. Standardised steps are learnt and built upon. Tap dancing develops a sense of beat and rhythm technique is practised at the barre and in the centre, followed by various arrangements.

HipHop - This style is primarily danced to hiphop music and has evolved as part of hiphop culture. It includes a wide range of styles notably breaking, locking and popping which were developed by technically trained dancers.

Acro - This style focuses on a range of acrobatic tricks such as walkovers, cartwheels, handstands, handsprings, splits etc
We encourage dancers to attend these classes to improve their dancing ability.

Song & Dance/Musical Theatre - A theatrical performance which combines singing and dancing to create a story.

Competitions- Some students will be entered in various competitions during the year.

As a mark of respect for the School and Teachers, we ask that all students come to classes in the clothing and shoes listed.

Hair

Girls - All hair up and clean. Pony tails are allowed for all styles as this is the style we wear for the concert so it is good for students to get used to not touching or playing with their hair while performing.

Please remove all jewelry, especially earrings (other than small studs or sleepers). Small earrings will be allowed for photos and concert, but no colour, only GOLD, SILVER or ROSE GOLD. No bracelets, necklaces or rings allowed at photos or concert. Belly rings are allowed to stay in as long as they are small and do not hang down to get caught in costumes or get ripped out on stage.

Christmas Pageants

Towards the end of the year, Take 2 Dance often takes part in a range of Christmas Pageants, subject to dates. These may include Playford, Glenelg, Salisbury, Gawler and Lobethal. We love seeing lots of students involved, as the pageants are a highlight for our dancers and a wonderful opportunity to showcase the studio.

CanDance For A Cure

Each year, Take 2 Dance Studio proudly performs at CanDance for a Cure, held at the Adelaide Entertainment Centre. This large-scale event brings together dance studios from across South Australia to raise funds and awareness for cancer research and support services. Performing on such a prestigious stage in front of an audience of thousands is an unforgettable experience for our dancers, and we are excited to be taking part again on 30 May 2026, supporting an important cause beyond the studio.

Communication & Resources

Take 2 Dance Studio uses the **Band app** as our main communication hub for families. Band allows us to share important updates and reminders, maintain a studio calendar, upload dance videos, and provide music for students to practise their routines at home. This helps keep everyone informed, organised, and supported throughout the year.

You can find this app available through the Apple Store or Google Play Store.
