

NOTICE TO RESIDENTS

Aerial Drone Vehicles will be used to inspect Roof Anchors on:

_____ Date

The aerial drone vehicles' camera will NOT be pointed in the direction of any window or any other area where there is a reasonable expectation of privacy, or the camera will be in the off position until it reaches the area of the Roof Anchors. For greater assurance, you may consider closing your window coverings on this day.

The inspection is expected to take approximately _____ hour/minutes.

For safety reasons, please do NOT talk to the Pilot or crew members during flight operations.

Please respect and DO NOT cross any barriers set up for flight command operations.

Please DO NOT attempt to make physical contact with the Aerial Vehicle by hand or any other object. The Aerial Vehicle is not a toy and will be performing mandatory inspection services.

Please direct any comments, questions, or concerns to the:

Management Office/Superintendent at:
