

Christmas For All Wish List

Christmas for All accepts all new toys and gifts as well as monetary gifts for donation. The goal is to provide 5-6 presents for each child. This includes balancing gifts among all of the children that reside in the household. Please spend no more than \$30 for each gift you plan to donate (bicycles & drones are an exception) and consider buying more gifts if you wish to donate more than \$30.

The below list are items that are needed the most. *Items with an asterisk (*) are frequently requested items that we can run out of before the end of the shopping period.*
