WELCOME

FRIENDS & FELLOW CATTLEMEN TO THE

RANCHER'S CHOICE

19TH ANNUAL BULL SALE

2021 has been an incredibly tough year to say the least, with continued restrictions and sadly the passing of Leslie Alexander in April. As Leslie would have wanted, the show will go on, just at a slightly slower pace!

As we write this letter in December, we are trying to find a new normal and are trying to get things to run as close to regular in 2022 as possible! Things may happen at a little slower pace than Leslie would have liked but you can still count on a high-quality sale with high quality cattle in 2022!

We are excited to continue our partnerships with Gardiner Prime Angus; SHB Angus (Ed Gross), Reardan, WA and the University of Idaho, Moscow, ID (Charolais)

The 2022 sale offers bulls that will complement any set of cows. If you are a seedstock breeder, we have your next herd sire. If you are a commercial cattleman with a straight bred set of cows or a multi breed herd, we have you covered as well. Along with the excellent set of bulls, you will also find a select set of registered females to add to your herd

Join us on February 26, 2022, at the JR Ranch Sale Facility, south of Othello, WA.

Videos of the sale lots will be available approximately two weeks before the sale on the website.

For more information go to our sale website www.rancherschoicesale.com or visit our Facebook page Rancher's Choice Sale.

If you have any questions or just want to talk about the cattle, please give one of us a call. We would love to visit with you about your bull buying needs.

See you on February 26th!

HEALTH & FERTILITY:

Health certificates will be issued to all out of state buyers on sale day if bulls are loaded out that weekend. All bulls, regardless of age, have passed a semen test. Trich tests will be done as required to meet import regulations of the destination states.

WARRANTY:

All bulls are guaranteed against injury or death for the first breeding season. The seller will work with the buyer and either (1) replace the bull with a comparable animal if one is available or (2) credit the buyer with the purchase price, less salvage, at the next sale. All claims must be made in the same year the bull was originally purchased. The Black Angus will sell according to the terms and conditions of the American Angus Association.

LIVESTOCK INSURANCE:

Buyers assume all risk upon purchase and are encouraged to purchase insurance at the settlement desk. Contact Mark Frisbie on sale day or in advance at (208) 495-2601 for more information.

SUPPLEMENT SHEETS:

Scrotal measurements, lots out of the sale, additional performance data and ultrasound measurements will be available on sale day.

DELIVERY:

We encourage everyone to bring their trailer and take advantage of the \$50 per bull haul out credit. Bulls must be picked up after the sale or by appointment Sunday to qualify.

We plan to deliver bulls for free to central locations in Washington and adjacent states starting on or before April 1st unless you need your bull(s) quicker.

If you wish to leave your bulls longer, please make arrangements directly with the individual partner(s) at time of settlement on sale day. If you purchase your bull(s) online or via a phone bid, we will contact you after the sale for delivery information.

TERMS AND CONDITIONS:

All settlements must be made with the clerk immediately following the conclusion of the sale. Terms of the sale shall be cash or bankable checks unless prior arrangements have been made in advance. Internet buyers will be invoiced. All supplements to the sale book or announcements made from the block take precedence over what is written in the sale book. Registration certificates will be transferred on all eligible animals.

INSPECTION OF CATTLE:

Hang'n A Charolais bulls are located at Beus Feedlot, north of Pasco. The University of Idaho, Charolais bulls are located in Moscow, ID. The Black Angus bulls are on feed at the SHB Feedlot (Ed Gross) Air Way Heights, outside of Spokane. Cattle will be moved to the sale site Thursday-Friday, February 24th-25th.

Please bring your sale book with you to the sale. Videos of the sale lots will be posted to the sale website www.rancherschoicessale.com and www.DVAuction.com as they become available.

INTERNET BIDDING:

DVAuction

If you are unable to attend the sale for any reason, you can view the sale live and bid on lots via the www.DVAuction.com website. Lot videos will be available for viewing in advance and during the sale. Internet buyers must create an account and request a buyer number prior to sale day (*no charge*). If you choose to use this service visit www.dvauction.com or contact Heather Soukup at 402-681-0577 for more information and support.

LIABILITY:

All persons attending the sale and related functions do so at their own risk. Hang'n A Cattle Company, Gardiner Prime Angus Ranch, SHB Angus, University of Idaho, and JR Ranch, their staff or representatives assume no liability, legal or otherwise, for any accidents or injuries that may occur.

Welcome to the 19th Annual Rancher's Choice Bull Sale!

Looking back on 2021, we saw highs, lows and everything in between. From a great Ranchers Choice sale in February, the tragic loss of Leslie in April, to an amazing Sagebrush Classic in July, it is safe to say that 2021 was a roller coaster ride. As the song goes, you find out who your friends are and words can't express how thankful we are for each and every one of those friends. The support you have given us, as we find our "new normal" without Leslie can never be repaid. As Leslie would have wanted, the sale will continue and we are excited for this year's sales lineup.

When you look at the bulls in our offering this year, two sires have the bulk of the lots in the sale. **WC Formula 5014** is our go to bull for calving ease, milk and maternal traits and daughters that really milk. But unlike other bulls with those traits, he still puts a lot of muscle in his sons. **CCC Resurrection 840 P** will showcase his first calf crop selling this year. We expect his calves to be calving ease sires with muscle and eye appeal.

We are also offering one calf out of our new junior herd sire **LT Maze 9241 P** who is a 3/4 brother to LT Badge 9184 PLD who was the high-selling bull at Lindskov-Thiel's 2020 sale. We have used him on some heifers and we are looking forward to the calving ease, growth and eye appeal that the industry needs.

We are continuing to include top end bulls sired by popular AI sires. If you are a purebred breeder or a progressive commercial operation, we feel very strongly that you will find the bull to move your program forward.

This year we will be offering two heifers in the sale. All of the proceeds from these heifers will go to the **Leslie Alexander Memorial Scholarship** fund, supporting youth seeking a career in the agricultural field.

The bulls are on a growing ration at Beus feedlot, north of Pasco. If you are in the area, feel free to stop in and walk through the pens. (Watch for the Sale/Ranch signs). On February 24th, we will start bringing them to the sale site and they can be viewed at that time, too.

The sale will again be located at the JR Ranch Sale Barn, just south of Othello, WA and will be broadcasted by DVAuction.com. Look for information in this catalog on how to set up your account, view and bid online. The sale videos will be posted in mid-February to the sale website (www.rancherschoicesale.com) and at DVAuction.com. Videos will be shown in advance and during the sale.

We appreciate the continued support the industry has given our Charolais program and our loyal repeat buyers. If you cannot attend the sale in person please view and bid online, place an order with us or bid on the phone. To learn more about our operation, log on to our website or follow us on Facebook. Give us a call or drop us an email if you have any questions.

See you on February 26th,

Alan and Leslie Alexander

More Pounds. **MORE PROFIT.**

Breeding good cattle isn't complicated. Cattle feeders give us the ultimate report card. According to Jared Wareham, Top Dollar Angus, "No other option offers the greatest terminal crossbreeding value from the ranch through the feeder like a really good set of smokes or buckskins that are at least 50% Angus or Red Angus."

Use a registered Charolais bull and genetic verification through CharAdvantage to earn more premiums.

Why?

- Market demand
- Predictability
- Increased weaning & yearling weights
- Easy calving
- More live calves
- Adaptability
- Value of Charolais-cross females

Hello Everyone!

2021 has been a whirlwind. With the students all back to school, we have been blessed with the opportunity to put together arguably the nicest set of calves to come off the UI Beef Center to date.

It goes without saying that, as a seedstock producer, my goal is to offer the best set ever offered every single year, and it's easy to say, but by golly I really think we did it this year. We are again offering a small set of females for you consideration, along with our bull selection.

First, we want to thank Alan Alexander and Pat and Ada Gardiner for the repeat invite to participate in their wonderful sale. We also need to sincerely thank all our past customers, from those who have bought one animal to one hundred. You are the glue that holds this program together.

Stay safe and we look forward to seeing you on sale day!

Zane Garner and the Crew, University of Idaho Beef Center

Picking up the pieces after the profound loss last year of our dear partner and friend Leslie Alexander, we are grateful to be joining again with Alan Alexander, Hang'n A, Ed Gross, SHB, and Zane Garner, U of I, for the 19th Annual Rancher's Choice Sale. We are so grateful for Alan's strength and faith to continue in our partnership with their excellent Charolais cattle for this year's special Rancher's Choice sale in Leslie's memory. While words cannot fully express the loss we all feel without Leslie's spirit and guidance, we know her love will be with us all on sale day.

Our offering this year focuses on 5 different sire groups, 4 of whom -- Sitz Stellar, Baldrige Command, Tehama Tahoe, and our Sydenstricker herd bull, Sydgen Supercool 7005 – we have had great success with in our program. We added the 5th, Baldrige Alternative last year because he has the package of carcass qualities and attractive look we like in our breeding. We select our sires for not only great EPD's, but we require a powerful, functional phenotype as well.

Each of these calving ease bulls has a pedigree of generations of balanced trait, predictable genetics which continues to be the major focus of our program. From 20 years of working with this goal, the bulls we bring to this sale offer strong improvement for growth and carcass traits in a sound, attractive phenotypical package. The genetics they represent are among the most proven in the Angus breed and should put our customers above the curve for the added value available in today's beef market.

To be able to live this ranch life is a blessing that we appreciate more than we could ever put in words. We thank our continuing customers for their faith in us, and we thank all our customers, present and future, for considering us as you purchase your next bull.

Pat and Ada Gardiner

- We bought the Ozark sire as a feature of the 2020 U2 Ranch sale in Alberta.
- An outstanding Bravo son of the \$140,000 U2 Erelite 109Z, famous dam of the Spickler/U2 sire U-2 Coalition.
- His excellent predictions for calving-ease along with his EPD's for moderate mature weight and height, give him a top 10% ranking for the important \$M index.

LESLIE ANN ALEXANDER

January 26, 1953 - April 12, 2021

Leslie was born January 26, 1953 in The Dalles, OR to Edith (McAllister) and Rex Osborne and graduated from Toppenish High School in 1970. Leslie's life always revolved around cattle from being the first female pen rider hired by Washington Beef in Toppenish to joining the Washington State Department of Agriculture as a Brand Inspector in 1984, before retiring in 2015 after 31 years.

Leslie always believed in hard work and this work ethic carried her through the WSDA brand program, starting as a field inspector, working her way to state supervisor and finally acting program manager before her retirement.

In 1986 when Leslie and Alan married, Hang'n A Cattle Company was established and grew from there. At the ranch Alan and Leslie hosted field days and youth shows. They were always happy to look at cattle and show someone around the ranch, especially when it meant Alan would work on the "honey do" list!

When the kids were younger, they showed cattle from local county fairs to bigger Charolais shows in South Dakota and Denver. After the kids had grown, Alan and Leslie continued helping the youth in the industry by taking them to Charolais shows and many miles were put on "Old Blue" hauling youth exhibitors to shows in California, Missouri, South Dakota and Texas just to name a few.

This commitment to youth and the cattle industry was honored in 2008, when Leslie and Alan along with Jana Koller were named co-advisors of the year for the American International Junior Charolais Association (AIJCA). In 2016, Alan and Leslie were the AIJCA Show Dedictees, again recognized for their commitment to youth.

In 2006, they began a youth cattle show called The Summer Sizzle, which was handed over to the NWJCA in 2015. After taking a short break, Leslie and Alan decided to get back to producing cattle shows, creating The Sagebrush Classic in 2017 and continuing that show annually.

In 2003, the first annual Ranchers Choice Sale was established and held at the Bonina Facility in Eltopia Washington. 2022 will mark the 19th annual Ranchers Choice Sale.

Showing and marketing cattle was always important to Leslie. She continued taking a small show string to shows like Spokane, Salem, Yakima and The Cow Palace and enjoyed every minute of it, even at 5am on the wash rack!

Leslie will be remembered most for her big heart, strong work ethic and commitment to youth in the cattle industry. She loved seeing a calf they sold do well for their junior owner whether in the showing or the pasture.

We have established a 501(c)(3) memorial scholarship in Leslie's honor to continue supporting youth in agriculture.

She is survived by her husband Alan Alexander of Pasco, WA; daughters Stacey (Kevin) Webb of Temperance, MI, Becky (Tony) Carollo of Ellensburg, WA; grandchildren Kasey (21), David (18), Chase (8); siblings Rexine (Len) Trotter of the Oregon Coast, JoAnne (Lane) Jolliffe of Boise ID, Suny (David) Simon of Hood River, OR and Bonnie Osborne (Bill Spores) of Portland, OR.
