Greetings from OUR Bishop

BISHOP GERALD W JONES, SR
Prelate, Texas North Central Jurisdiction

Apostle Paul had a dramatic encounter with Jesus as he traveled the Damascus Road. That encounter shifted the entire trajectory of his life. It was here that the Lord's will became his will, and he dedicated his life to serving God and evangelizing the world.

Given what we know about him in light of his calling as the Apostle to the Gentiles, Paul continually sought direction from the Lord about where to take the gospel when planning his second missionary journey. Two apparent open doors slammed shut. Luke tells us that the Holy Spirit prevented Paul's group of missionaries from going east into Asia (Cappadocia, Armenia, and Syria). Then, Luke says, "the Spirit of Jesus" blocked them from going to Bythinia, a region in the northern portion of Asia Minor extending to the Black Sea. But closed doors meant that the Lord would open others. The Spirit directed the missionaries to cross the Aegean Sea and "go west" into Macedonia, a Roman province which includes much of modern Greece and Albania. It was God's appointed time for Paul to take the gospel into Europe.

It is now our appointed time to continue the work that Apostle Paul dedicated his life to.

Texas North Central, we must "Answer The Call".

Bishop Gerald W. Jones Sr.
Prelate, Texas North Central Jurisdiction

Greetings from OUR Supervisor

MOTHER JANICE I CRAIG
Supervisor, Texas North Central
Jurisdiction DOW

As Supervisor of the Texas North Central Jurisdiction Department of Women, I take great pleasure in congratulating our new Auxiliaries in Ministry coalition Chairman, Pastor Edward Spears, on his elevation to this befitting assignment.

I have watched this exceptional man of God since my own elevation to leadership in this jurisdictional fellowship, and have admired his humility as a man of God and his spiritual devotion to kingdom ministry.

His personal resume bespeaks how very well qualified he is for this new administrative assignment, due to his occupational leadership experience. Regarding ministry, his pastoral experience adds depth to his resume as he has worked faithfully in the harvest field, preparing himself for greater service and spiritual assignment. He is both a studious scholar of the word and a sound Word preacher. The Auxiliaries in Ministry will definitely be on a positive trajectory with him at the helm of this bold ministry team.

We celebrate each of the servants of God who are also assigned to the individual AIM departmental headships, charged with the tasks of training and motivating our local churches to become even more adept in each of these represented ministries.

We pray for success and blessings over this inaugural AIM event.

Mother Janice Craig
TNC Supervisor of Women

Greetings from OUR Chairman

PASTOR EDWARD L. SPEARS II
AIM Chairman, Texas North Central Jurisdiction

The act of aiming requires the individual to deliberately focus on a designated target in a disciplined approach to reach and affect said target.

In many ways, this is what the 5 auxiliaries in AIM are charged to help the body of Christ in doing to affect the target of Kingdom expansion and disciple growth.

Sunday School helps sharpen and equip the minds of believers so that they can better understand and focus on learning and living the Word of God; **Evangelism** helps perfect our testimony of our experience in Christ toward helping others begin theirs; **Missions** helps us express the love of God in ways that a world that does not know Him can finally see Him; **Music** helps keep us fortified for the work and the wear through psalms and spiritual songs; and **Youth** helps train and raise up the next generation to continue the life and legacy of the church.

On behalf of the Texas North Central Jurisdiction's Auxiliaries in Ministry (TNCJ AIM) team, we welcome all of you to work with us to take AIM toward the mark of the higher calling as we are all AIMing TO ANSWER THE CALL.

We give special appreciation to our anointed and supportive jurisdictional prelate, Bishop Gerald W. Jones, Sr., for allowing me and each of the AIM leaders the opportunity to champion these ministries and for the time he has granted us to come together in this convention. Thank you to all the pastors who allowed their leaders and workers to come and glean from these fields to bring back ideas and innovations designed to support and strengthen the local church.

We also thank God for the kindness and hospitality of Pastor Perry Williams and the Holy Tabernacle COGIC family, that opened their doors and allowed us to use this grand facility.

May God bless, keep, and increase all of us who are AIMing to ANSWER THE CALL.

TNCJ AIM MMVV

(MISSION, MOTTO, VISION, VALUES)

*The word "**coalition**" finds its etymological origins in the Latin word "coalescere," which means "to grow together" or "to unite." It is a combination of "co-" (meaning "together") and "alescere" (meaning "to grow" or "to increase") (www.betterwordsonline.com)*

The work of **TNCJ AIM** is the **collaboration of all 5 core auxiliaries, growing together** through shared insight, ideation, and cooperation, **culminating in an annual jurisdictional convention** that provides well-trained, effective jurisdictional representatives to the international departments during the international AIM convention.

MISSION: The MISSION of the AIM Coalition is to **collaborate with auxiliary leaders to cultivate ideas and activities** that will **advance the vision of the bishop**, help build the **capacity** and **potency** of each department to **support the local church**, and culminate in a jurisdictional AIM convention that **highlights and promotes each auxiliary** and prepares and assists participants to represent the jurisdiction well at the international AIM convention.

MOTTO: "Collaborating to build the ministries that build the church to build the Kingdom."

VISION: The VISION of the AIM Coalition is to:

- Ensure that **every local church** has **active** and **viable** Evangelism, Mission, Music, Sunday School, and Youth Departments supported by **recurring training** and **functional activities**.
- Develop and maintain an **annual convention** that will be widely recognized as a **hub for innovation** and **inspiration**.
- Have **award-winning jurisdictional representatives** that excel in the international AIM convention, which will **highlight the level of commitment to ministry cultivated** in the churches of the Texas North Central Jurisdiction

TNCJ AIM MMVV

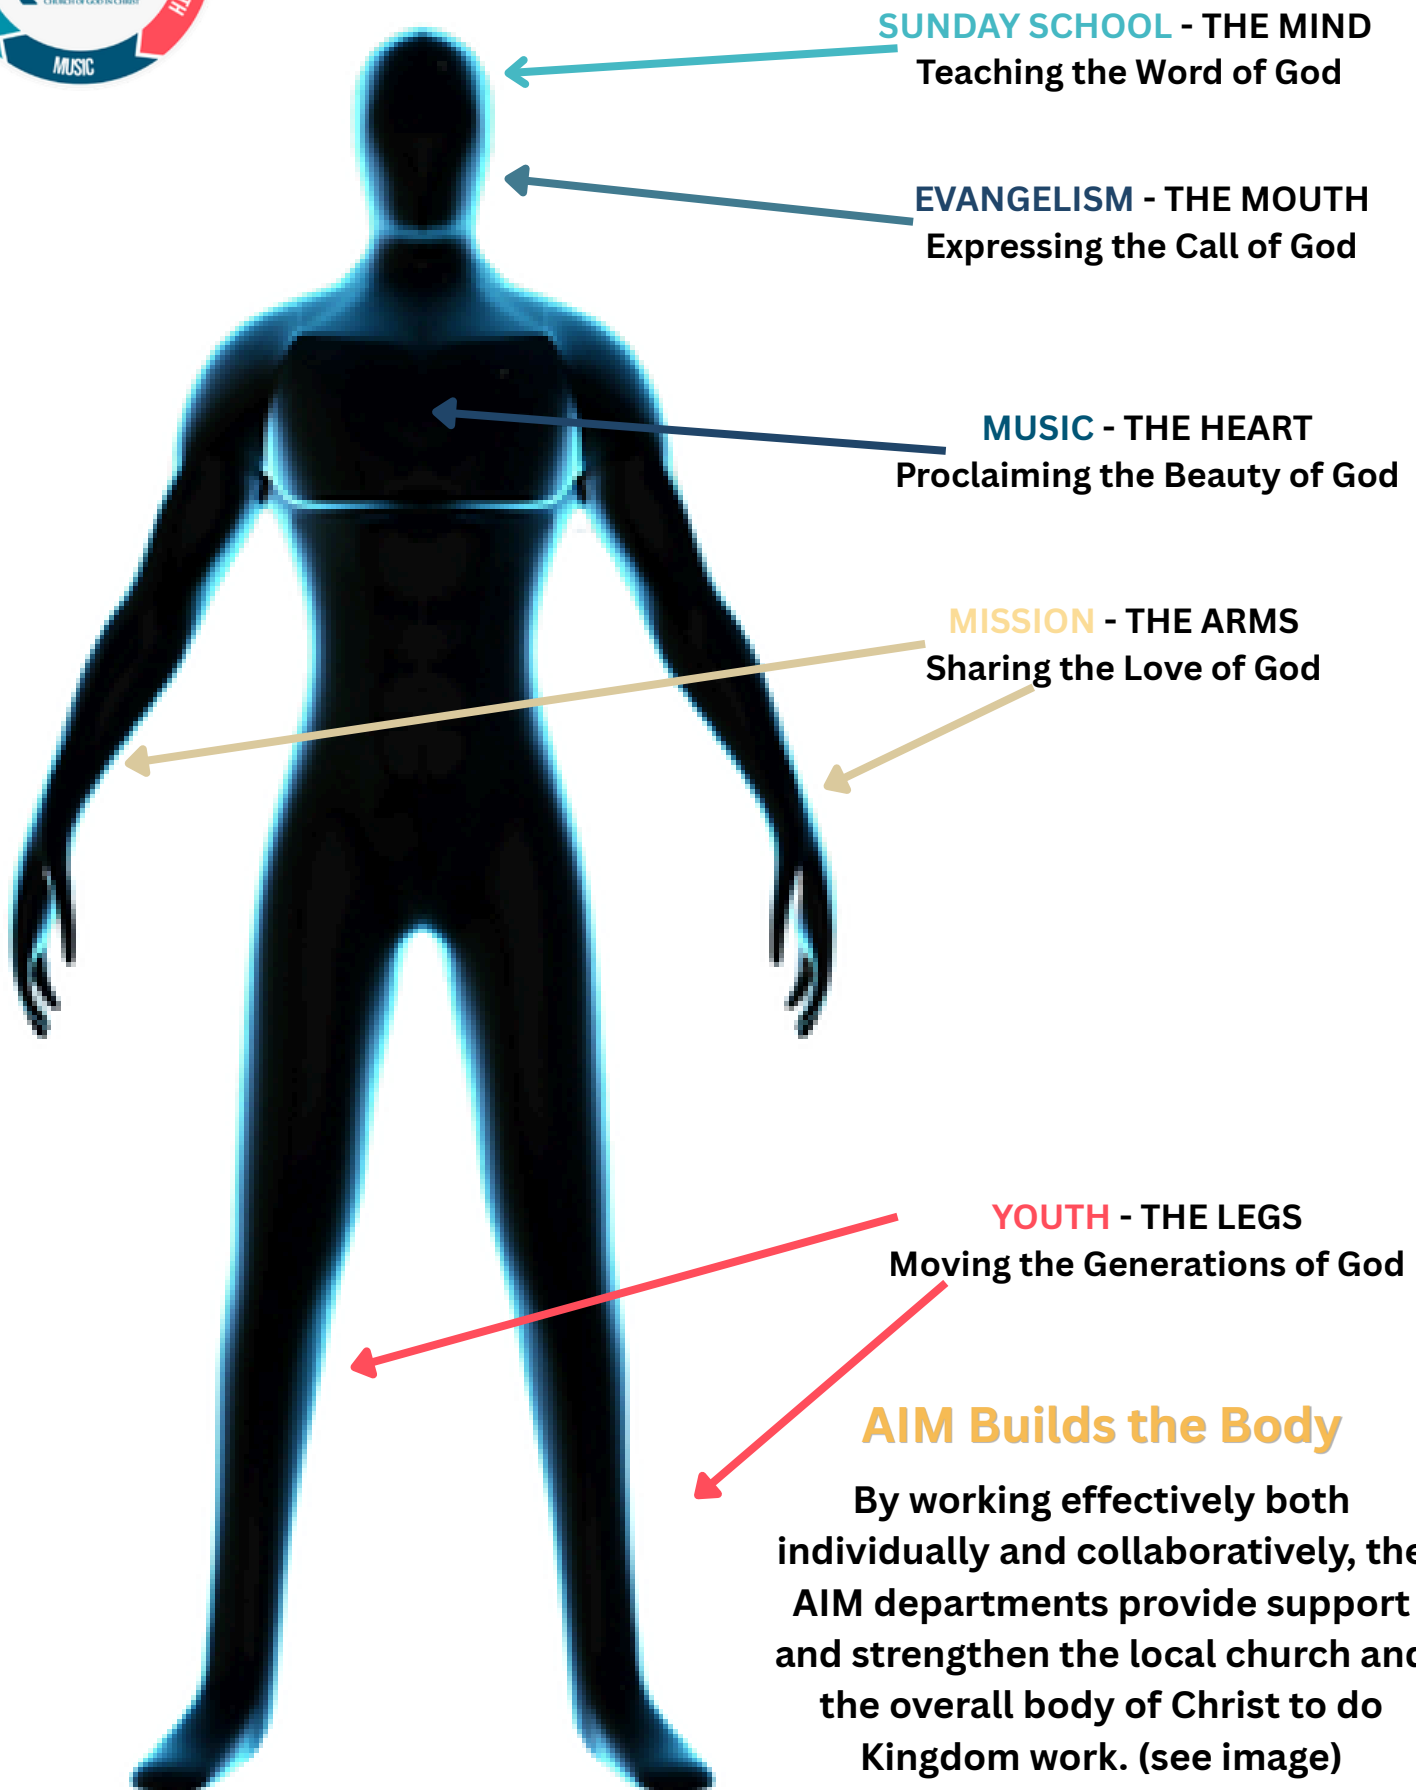

(MISSION, MOTTO, VISION, VALUES)

VALUES: The VALUES of the AIM Coalition are:

- **Educating:** Providing the needed training, instruction, and educational materials that will assist all local churches in developing members who will understand and be prepared to exercise that understanding of the 5 core auxiliaries by serving in Evangelism, Mission, Music, Sunday School, and Youth departments in the local church.
- **Developing:** Providing mentoring, learning activities, and real-world opportunities to assist all local church participants to develop the skills and experiences needed to establish or expand Evangelism, Mission, Music, Sunday School, and Youth departments in the local church.
- **Serving:** Working with local churches to activate their auxiliaries in their local communities and coordinating shared activities where other churches and departmental leaders can come together to assist each other in serving their communities.
- **Celebrating:** Honoring outstanding individuals and local, district, and jurisdictional efforts throughout the year and providing an annual showcase during the jurisdictional AIM convention that will honor the best of us and provide grants toward participation in the international AIM convention.

JOIN THE TARRANT COUNTY PENTECOSTAL MINISTERS UNION

If you are a minister in a Pentecostal church and you believe that Kingdom work includes being our brother's keeper through civic activism,
YOU SHOULD BE A MEMBER OF THE PMU

OUR MISSION

- Utilize and aid in the development of the varieties of skills of members of PMU.
- Strengthen the network of PMU pastors through numeric growth.
- Provide PMU representation on city wide committees and initiatives.
- Coordinate and cultivate economic development opportunities and training for PMU members.
- Support the development of the youth of Tarrant county
 - by partnering with educators and parents to understand and address concerns in the system.
 - By offering scholarships to eligible students.
- Work together to promote the Christian faith throughout Tarrant county.

OUR VISION

The VISION of the Pentecostal Ministers Union (PMU) is to function as a county wide organization that is:

- A network for the spiritual, cultural, economic strengthening of Christian ministers and the congregations and communities they serve.
- A connection to a representative of the common goals of the leaders of congregations and communities we serve.

A promoter of sound biblical guidance and support to Christian ministers and the communities of Tarrant County.

Stop Paying Rent. Start Building A Future.

When you're a homeowner, your monthly housing payment does more than keep a roof over your head. It also builds stability, equity, and long-term wealth for you and your family. **Equity is the portion of your home's value that belongs to you. Over time, it can grow — helping you build wealth instead of collecting rent receipts.**

When you build equity, you build options. It can help you move into your next home, strengthen your financial security, plan for retirement or education, and leave something of value for your children or family. (For example, after five years of ownership you could have approximately \$44K in equity.*)

What happens if you keep renting? If you're paying \$1,500 per month in rent, you'll spend:

- \$90K in 5 years
- \$180K in 10 years
- \$540K in 30 years

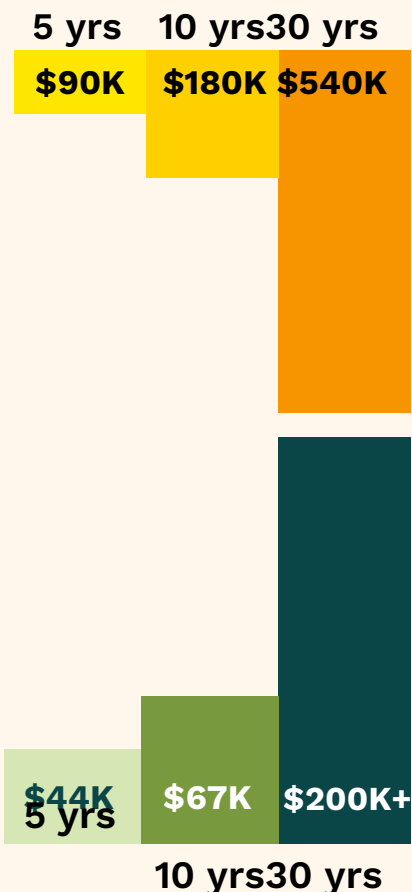

That's **over half a million dollars spent** over time — assuming your rent never increases, which is unlikely — and nothing to show for it.

Now imagine putting that same monthly payment toward a home at Carroll Park:

Here's what that might look like*:

- After 5 years.....About \$44K in equity
- After 10 years.....About \$67K in equity
- After 30 years.....Over \$200K+ in equity

*The mortgage and equity examples assume a purchase price of \$135K, a \$1K monthly payment, and a fixed-rate loan, which means the principal and interest portion of your payment stays the same over time.

**RENTING PAYS YOUR LANDLORD.
HOMEOWNERSHIP PAYS YOU BACK.**
