Technical Services Summary - [2023-24]

Innovate Everyday

"Most innovation involves doing the things we do every day a little bit better rather than creating something completely new and different."

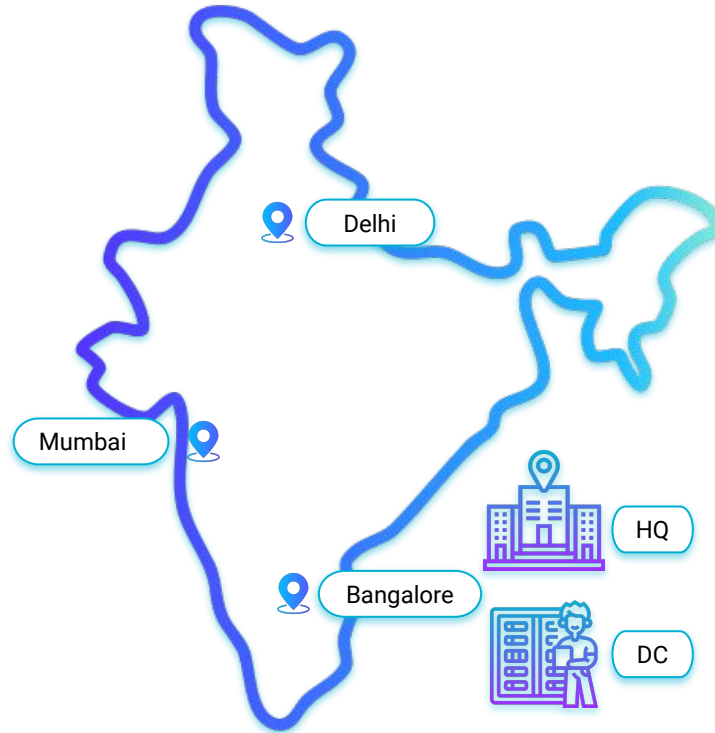

Young | Dynamic | Problem Solvers

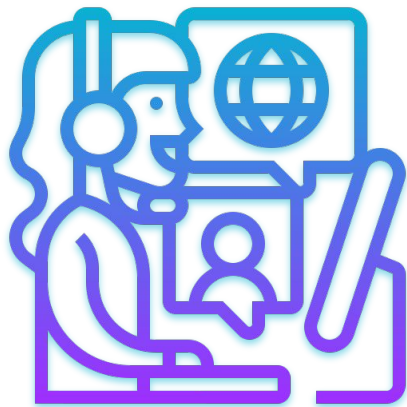

We Are

"Making Technology Accessible"

Our Presence

What We Do?

Technical Services

- Wireless Site Surveys
- Product/ Solution Workshop
- Proof of Value/ Concept
- Solutions Design
- System Integration
- Implementation
- Project Management
- Managed Services
- Vulnerability Assessment
- Penetration Testing
- Threat Hunting
- Configuration Audit
- Facility Management Services

Technology Domains

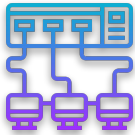

Enterprise - Wireless

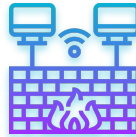

Cyber Security

Cloud

Enterprise - Wired

Network Security

Software Defined Networking

Capability - Cisco

S.No.	Products/ Softwares/ Solutions	Level
1	Secure Firewall - NGFW, NGIPS (Network security)	Expert
2	Identity Services Engine - ISE (Network segmentation)	Expert
3	Secure Web - (Web proxy/ filtering)	Expert
4	Secure Email - (Email proxy/ filtering)	Expert
5	Secure Endpoint - (Endpoint protection)	Expert
6	Umbrella (Secure web gateway and more)	Expert
7	Duo (Multi-factor authentication)	Expert
8	Anyconnect (VPN and remote access)	Expert

Capability - Cisco (cont.)

S.No.	Products/ Softwares/ Solutions	Level
9	Stealthwatch (Secure analytics)	Intermediate
10	Kenna Security (Vulnerability management)	Intermediate
11	Cyber vision (OT security posture)	Intermediate
12	Extended detection and response (XDR)	Intermediate
13	Secure access service edge (SASE)	Expert
14	Cisco SD-WAN	Expert
15	SD-Access (DNA Center)	Expert
16	Routers, Switches	Expert

Capability - Cisco (cont.)

S.No.	Products/ Softwares/ Solutions	Level
17	Access points	Expert
18	Wireless LAN controllers	Expert
19	Wireless - Catalyst 9k (Wi-Fi 6/ 6E)	Expert
20	Secure access service edge (SASE)	Expert
21	Thousandeyes (Internet and cloud intelligence)	Expert
22	Meraki Secure - Security and SD-WAN	Expert
23	Meraki Access - Wireless, Switching and Mobile Device Management	Expert
24	SASE with Meraki	Expert

Capability - Aruba

S.No.	Products/ Softwares/ Solutions	Level
1	Access Switches - 2k, 3k, 4k, 5k and 6k series	Expert
2	Campus Core & Data Center Switches - 8k, 9k and 10k series	Expert
3	Access Points - Indoor, Outdoor and Remote complete series	Expert
4	Gateways and Controllers - 7k, 9k, Mobility Controller VA, Mobility Conductor VA and Hardware	Expert
5	Security - Network Access Control - ClearPass	Expert
6	Management & Operations - Aruba Central	Expert
7	Visibility & Profiling - Aruba Central	Expert

Capability - Juniper

S.No.	Products/ Softwares/ Solutions	Level
1	Routers - MX complete series	Expert
2	Switches - EX complete series, QFX complete series	Expert
3	Security - Next-Generation Firewall - SRX 3k and 5k series	Expert

Capability - Fortinet

S.No.	Products/ Softwares/ Solutions	Level
1	Next-Generation Firewall - complete series	Expert
2	Secure SD-WAN	Expert
3	Secure Access Service Edge (SASE)	Expert

Capability - Data Resolve

S.No.	Products/ Softwares/ Solutions	Level
1	Data Leak Prevention	Expert
2	Employee Monitoring	Expert
3	Workplace Productivity	Expert
4	Corporate Cyber Intelligence	Expert

Capability - Public Cloud

S.No.	Cloud Provider and Solutions	Level
1	Google - Google Workspace, On-site integrations and other Public Cloud connectivity	Expert
2	Azure - Cloud network setup, Virtual Appliance configuration, On-site integrations and other Public Cloud connectivity	Expert
3	AWS - Cloud network setup, Virtual Appliance configuration, On-site integrations and other Public Cloud connectivity	Expert

PoC Engagements - Highlights [2023-24]

OEM	Products/ Software/ Solutions	Customer (s)
Cisco	Cisco Secure Firewall, Cisco Secure Firewall - NGIPS, Identity Services Engine - NAC, Umbrella - SASE, Duo - SASE, Duo - MFA, Cisco Wireless - Catalyst series, Meraki - SD-WAN and Wireless	BFSI - UCO Bank, Bandhan Bank Unicorn - Zomato Government - IOCL Power & Manufacturing - Jindal Steel & Power Ltd., Adani Electricity Hotel - ITC Ltd.
Meraki	Switching and Wireless	Retail - Royal Oak
Aruba	Access Points, Gateways & Controllers, Aruba Central - Management & Operations	IT Consulting - Kellton
Google	SSO - SAML Integration	Unicorn - Zomato
Fortinet	Next-Generation Firewall	Business Services - Ques Corp
Dataresolve	inDefend Advanced - DLP/ Employee Monitoring	All Segments - Calibre, LEAP, India Tech Services, ATMECS, IIFL Samasta

Project Engagements - Highlights [2023-24]

OEM	Products/ Software/ Solutions	Customer (s)
Cisco	Cisco Secure Firewall, Identity Services Engine - NAC and Profiling, Cisco Secure Web Appliance, Cisco Secure Malware Analytics, Content Security Management Appliance, Duo - MFA, Cisco Wireless - Catalyst series	BFSI - UCO Bank, Bank of Maharashtra Unicorn - Zomato Power & Manufacturing - Jindal Steel & Power Ltd., Adani Electricity Digital Healthcare - Innovaccer
Aruba	Access Points, Gateways & Controllers, Aruba Central - Management & Operations	IT Consulting - Kellton
Google	SSO - SAML Integration	Unicorn - Zomato Power & Manufacturing - Jindal Steel & Power Ltd.
Dataresolve	inDefend Advanced - DLP/ Employee Monitoring	All Segments - Magicmind, GSC Technologies, Tata Steel Limited
