“Lights, Camera, Dance”

To Our Legacy Families: This season has been nothing short of spectacular. We are so happy to welcome new families into the studio family and build amazing relationships with our students. We are very blessed and thankful for the opportunity to live out our passions. So many wonderful memories were created this season and we are beyond excited to showcase all the hard work these kids have put in!

To Our Staff: Thank you so much for all you have done for us this season. As the studio has continued to grow you have adapted and problem solved the new challenges and workload. We appreciate all the hard work and dedication you put into working with these students. We love getting to work alongside you all. Thanks to you, this year has been a very special year for us all.

To Our Seniors: Congratulations! This is the time that all of your hard work pays off--soak it all in. We can't wait to see where the future takes you. We have loved seeing each of you grow up at the studio and are so blessed to witness the amazing women you have become. We wish you all the success as you take on this new chapter of life. You will always be a member of the Legacy Family.♡

To Our Families: Life has continued to evolve for us balancing work and family. We are so excited to welcome a second great grandchild to the Stevens/Legacy family. We would like to thank you all for your continued love and support. We are so grateful to have so many wonderful people in our lives.
