Here is the deal: Three Best Rated® was created with a simple goal to find Top 3 local businesses, professionals, restaurants, health care providers, etc., in key cities. We display only businesses that are verified by our team since customers deserve only the best.

That's not all: Businesses do not pay us to list them ever. You do not pay us for the listing at any time. We believe that local businesses provide better and personal services locally. Local businesses know your city better since they live there too. Our policy is free to list because if you can pay to list, then is it really the best business?
