

# CLAIMS PROFESSIONAL TRAINING PROGRAM

The CPT Program is an 8-week initiative designed to license, train & mentor participants to become proficient insurance claims adjusters. This enhances TPAS, LLC's capacity to provide customer-focused employment training resources, including job search assistance, workforce preparation, and career development services. Moreover, its alignment with Missouri's SkillUp initiative underscores TPAS' commitment to fostering Diversity, Equity, and Inclusion (DEI) within the insurance workforce.
