OFFICE OF THE GOVERNOR

GEORGE W. BUSH  
GOVERNOR

*April 13, 1998*

*Greetings to:*

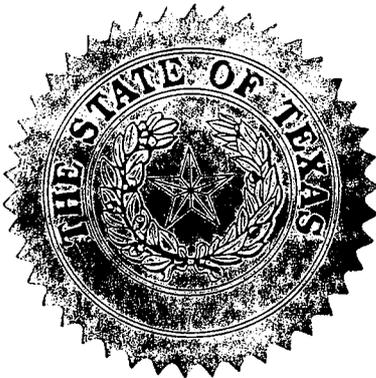

***The International Studebaker Drivers Club***

***Welcome to Austin for your 34<sup>th</sup> International Meet. This June 28 - July 4 gathering and awards banquet provides a great opportunity to meet Studebaker enthusiasts from around the world, exchange information and recognize outstanding members of your organization.***

***Texans have long had a love of their cars. Old cars take us back to an earlier era and capture an important piece of American history. Your dedication to preserving these vehicles contributes to preserving our cultural heritage. I commend you for the many hours of hard work you have put forth to bring them back to their original condition.***

***I know you will enjoy our capital city. From fine restaurants and entertainment to cultural attractions and parks, it has something for everyone. I'm confident Austin will show you our famous, warm Texas hospitality.***

***Laura joins me in sending best wishes on this special occasion.***

*Sincerely,*
