

# Llew Brown Band

www.llewbrownband.com

The Llew Brown Band is about Music and Entertaining You! We play the music you love including Rock, Country, and Pop from the 80's, 90's, and current hits. We are the perfect fit for your event or establishment whether it's for an audience size of 50 or 5,000. We offer a high quality level of entertainment. We are professional in our approach and have professional level equipment.

Our musical style blends rock, acoustic melodies, pop, and country music to create a recognizable but unique sound. We are lovers of all styles of music. Our goal is always to provide you with a memorable music experience for your event!

### Our services include:

- Full Band include lighting effects
- OR
- Vocal Duet/Acoustic Guitar
- Program Music played between band sets
- A combination of the above
