## Retail Business Guide

& Greater Hunts Point Chamber of Commerce

November 10, 2019

Welcome to the Hunts Point & Longwood Retail Business Guide!

Hunts Point and Longwood are neighboring and closely inter-related neighborhoods in the heart of the South Bronx, New York City.

Anchored at the north end by the bustling commercial intersection of Southern Boulevard and Westchester Avenues and on the south by the Hunts Point Food Distribution Center and Industrial Zone, this is an amazingly diverse and unique area of New York City.

This Retail Business Guide is produced as part of the Avenue NYC commercial revitalization program, managed by the NYC Department of Small Business Services and funded by the U.S. Department of Housing & Urban Development. We hope that you will find the Retail Business Guide useful in shopping at our local businesses and making sure every dollar that comes into the neighborhood “turns over” a few times before it leaves!

We welcome your feed back and look forward to working with you to build a more dynamic community of local businesses.

Very truly yours,

Dear Friends,

I salute the Greater Hunts Point Economic Development Corporation for publishing this Hunts Point & Longwood Business Guide.

Hunts Point and Longwood are at the heart of City Council District 17, which I have the honor of representing in the New York City Council.

One of the most unique areas of Bronx County, this neighborhood is home to the Hunts Point Food Distribution Center, the Southern Boulevard shopping district, a major manufacturing presence, one of the oldest residential communities in the Bronx, and has played a vital role in the birth of both salsa and hip-hop music.

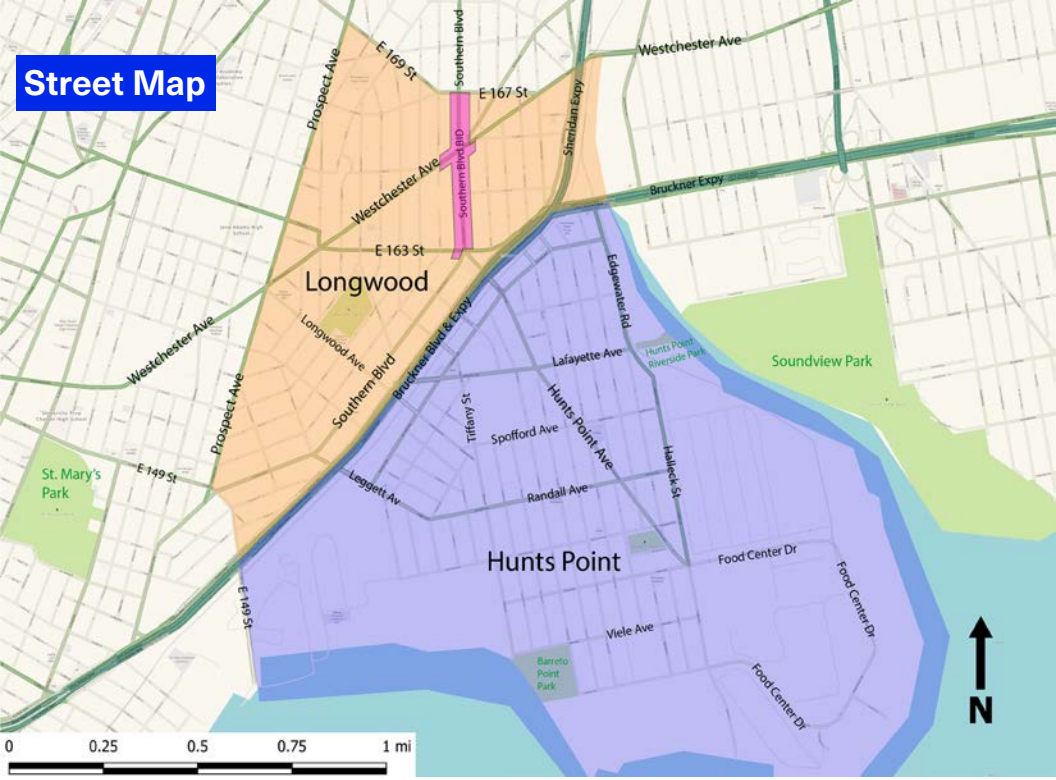

I was born, raised and work in this community, and can attest to its amazing vitality and vast potential. I hope that this Directory will encourage you to patronize our local businesses and invite your friends and neighbors to do the same.

Warm Regards,
