
THE BLOODY MARY COLLECTION

The legend goes that the 'Bloody Mary' is named after Queen Mary I of England, known for her persecution of Protestants during her reign in the mid 1500s.

The tomato juice is seen as a representation of the blood shed & the vodka as a symbol of her fiery rule!

THE VIRGIN MARY

0%ABV 250ml £5

Longbottom's unique mix of tomato juice, olives, Worcester Sauce, horseradish, lemon juice, capers & Scotch Bonnet peppers served over ice with a dried chilli, celery stick & olive garnish.

THE ORIGINAL BLOODY MARY
