HIGHLIGHTS

Eligibility requirements

Players must meet **both** of the following criteria:

- Play at least **eight (8) matches** in a single division session **between Jan 1 and Dec 31, 2024**
- Remain active in the USA Pool League in 2025 (play at least two matches between Jan 1 and Feb 18, 2025)

CSI Group Play...All teams guaranteed at least 5 matches*

Going two-and-out, or even being eliminated early, is a thing of the past! With the CSI Group Play format, all teams are guaranteed at least five matches.* Stage 1 is a group stage and Stage 2 is a single elimination final bracket. In Stage 1, teams are randomly drawn into five separate matches,* each consisting of 15 racks or 9 racks for Ladies 8-Ball Teams. The teams that perform the best advance to Stage 2. Visit the **TEAMS** section of this Player Guide for a full explanation of the CSI Group Play format.

**Excluding factors beyond the control of the USA Pool League such as forfeits, drop-out teams, no-shows, byes, etc.*

Format Change for Singles Divisions

Everyone should have the opportunity to play in as many divisions as possible. To do that efficiently, it's important to complete one division before the next one begins. The end of a double elimination bracket takes too much time to complete, causes match conflicts, delays, and frustration. For example, when there are only four people remaining, it can take eight more hours to complete. To accommodate the growth of the event and still provide everyone the opportunity to play in multiple divisions, the format of all singles divisions will be slightly modified. The format will be double elimination until the prize money rounds and then switch to single elimination.

Late Matches & Player Breaks

We want everyone to have adequate time and a good experience. However, late matches can delay the entire event so there must be reasonable time restrictions in place. Therefore, two (2) hours will be allotted for all singles matches. If a match is late (2 hours have passed from the actual start time), emergency action may be taken, at the sole discretion of event staff, to conclude the match quickly, including but not limited to, the players lagging for the remaining points. Visit the official event webpage and review the Tournament Regulations for more detail on late matches, player breaks, and more.

Mini-Tournaments

We anticipate more than 1,000 mini-tournaments to be held during the USA Pool League National Championships. Many different formats may be offered such as handicapped, non-handicapped, 8-ball, 9-ball, 10-ball, etc.

Predator Apex Premier League Edition Tables

The USA Pool League National Championships will be played on 7-foot Predator Apex Premier League Edition tables, which have been meticulously designed by CSI and Predator for performance, reliability, and fun. Visit www.playcsipool.com/2022-news to learn more about these tables.

Important Dates

Dec 9: Last day for early entry discount

Jan 13: Last day for mailed entries & personal checks

Jan 20: Last day to register

Jan 20: Last day for refund requests

Jan 27: Last day for change requests & TBA names

Refunds & Changes

Refund requests must be received in writing by email or postal mail by Jan 20, 2025 and will be processed after March 10, 2025. Admin fees are non-refundable and an additional \$20 processing fee applies to each entry refunded. Change requests must be received by Jan 27, 2025, and a \$20/player processing fee applies to each change.

Safety Rules & Regulations

Although it is impossible to predict what safety restrictions may be in place at the time of the event, players should be prepared to adhere to all safety rules & regulations put into place by CueSports International, the Rio All-Suite Hotel & Casino, Nevada state government or local ordinances. Face coverings, social distancing and temperature checks are just a few examples of safety precautions that could be in effect. Players accept this when they register and refusal to follow safety rules and regulations is not sufficient justification for a refund.

On-Site Registrations

On-site registrations are not accepted for USA Pool League National Championships divisions.

Event Fees

Admin fees help cover the cost of processing registrations, verifying eligibility, verifying ratings, etc. Late registrations create a backlog, require extra personnel and increase costs. On-site registrations require extra event staff and even more costs. Because admin fees are consumed during the registration process, they are non-refundable. Admin fees are included in the entry fees and are as follows:

DIVISION TYPE	EARLY ENTRY (by Dec 9)	LATE ENTRY (Dec 10-Jan 20)	ON-SITE ENTRY
SINGLES	\$25	additional \$25	N/A
TEAMS	\$20/core player	additional \$20/core player	N/A
JUNIORS	\$20	additional \$10	additional \$10

Green fees help cover the cost of the venue, equipment, staff, set-up, tear-down, etc. Green fees are refundable if a written refund request is submitted prior to the refund request deadline. Green fees are included in the entry fees and are as follows:

DIVISION TYPE	EARLY ENTRY (by Dec 9)	LATE ENTRY (Dec 10-Jan 20)	ON-SITE ENTRY
SINGLES	\$25	\$25	N/A
TEAMS	\$20/core player	\$20/core player	N/A

Change fees help cover the cost of processing changes such as removing players from teams, adding players to teams, verifying the eligibility of new players, verifying the ratings of new players, etc. The change fee is \$20/change. We encourage you to be confident about your registration before submitting it to avoid change fees.

Digital Membership Card & Valid Photo ID Required

All participants must have their digital membership card and valid Government-issued photo ID and present it to all opposing players, teams or staff upon request. Your digital membership card can be found in your personal profile on the [FargoRate mobile app](#) which can be downloaded free for Android and Apple devices. Physical cards are no longer produced so please download the FargoRate app and have your digital membership card ready to show upon request. **Failure to show your digital membership card and valid Government-issued photo ID can result in automatic disqualification and forfeiture of entry fees and prize money.**

Dress Code

All events will follow Dress Code A unless otherwise specified.

Fargo Ratings

FargoRate has replaced the outdated systems of subjectively classifying players as Open-Advanced-Master, A-B-C, 3-4-5, etc. Players with at least 200 games of data in the FargoRate system have an established rating. Those with fewer than 200 games have a preliminary rating based on any data in the FargoRate system and a starter rating assigned by the USA Pool League.

Example: John has a Fargo Rating of 593 based on just 50 games. He was assigned a starter rating of 560 by the USA Pool League. John's preliminary rating would be calculated by a proportional combination of the two numbers $(593 \times 25\%) + (560 \times 75\%)$. Therefore, John's preliminary rating would be 568. Starter ratings may be adjusted by the USA Pool League at any time.

Rating Reviews

We carefully review the ratings of all players who register. This process takes time, and **we reserve the right to adjust starter ratings and correct errors at any time.** To avoid late rating issues, we encourage you to register early and ensure your rating and your teammate's ratings reflect actual skill level. **Any type of rating correction is not grounds for a refund.**

Please Note: You may register anytime. There is no need to wait until you actually reach the minimum matches requirement to register. So please, **REGISTER EARLY.**

Rating Penalties

If any adjustments to starter ratings push a team over the maximum rating limit, the team will be assessed one penalty point for each point over the limit.

Don't Get Disqualified

We take player ratings very seriously. A player who intentionally, at the sole judgment of the USA Pool League, enters an event with a rating that is too low for his or her ability, is cheating. Be aware that we have tools in place to monitor players who are consistently and

significantly performing above their rating during the event. We reserve the right to disqualify any player without refund. **Don't get disqualified. If you believe you are underrated, contact the USA Pool League prior to the registration deadline.**

Ladies Events

While a Ladies Team division is offered, FargoRate and the USA Pool League Handicap System provides the opportunity for ladies to compete on a level playing field against men. A lady rated 450 plays at the same level as a man rated 450. Therefore, ladies are welcomed and encouraged to participate in the other divisions.

Verify Your Registration

You have the responsibility of verifying your registration. The complete list of players can be found near the bottom of the official event webpage. All upcoming events can be found at www.playcspool.com/events.

If you have already registered for the event, please verify that your name appears in the "Awesome Participants" list in every division for which you registered. Technical glitches can happen and **it's your responsibility to confirm your registration(s)** at least three weeks prior to the event. If you are not on the participant list and you fail to notify us at least three weeks prior to the event, we may not be able to accommodate you. If your name does appear on the list, it's a good idea to take a screenshot and keep it with you as back-up if needed. It is not helpful to show up at the Tournament Desk and simply say that your name was previously on the list.

Start Times

Divisions may begin as early as 9am on the dates listed. However, various factors could delay start times and a delayed start is not grounds for a refund. Always check the tournament brackets at www.ctsondemand.com for the exact start time of your match or ask the Tournament Director.

Plan Your Travel Carefully

We encourage you to allow plenty of time before and after the event for travel. The USA Pool League is not responsible for airline delays, lost luggage, traffic jams or any other travel-related issue that could cause you to miss your match and be forfeited. Matches are not delayed or accelerated to accommodate travel issues. Therefore, you are advised to arrive no later than the day before your division(s) begin and leave no sooner than the day after the event ends.

How to Avoid Forfeits

Each year, people forfeit matches because they do not follow the correct procedures. Matches are not announced at the event and there may be occasions when your table is not available at the scheduled time because earlier matches are running late. You are responsible to be at your assigned table when it becomes available. Please review Appendix A – Using CTS (CueSports Tournament System) and the Tournament Regulations. These documents detail the process of avoiding forfeits. If you still need help, please ask the Tournament Director. Being forfeited as a result of not following the correct procedures (see the Golden Rule below) is not grounds for a refund or a credit.

Golden Rule: If you are at your assigned table at the scheduled match time and do not leave, you cannot be forfeited.

Match Conflicts

You may want to play in as many divisions as possible to get the most out of your experience. Therefore, you are free to register for divisions that overlap. However, we are only able to schedule around specific overlapping divisions as noted below. If match conflicts occur that are not specified in the second column below, the player or team must forfeit one of the conflicting matches without refund.

TEAMS (CSI Group Play Format)

Team Check-In & Rosters

Team check-in is required. The Team Captain or League Operator must check in at the USA Pool League Registration Desk prior to the start of the division and obtain an official team roster. The official roster and valid Government-issued photo ID of all players must be presented to all opposing teams and event staff upon request. Team Captains are responsible for team rosters and there is a \$10 charge for reprinting them. **EMERGENCY ROSTER CHANGE REQUESTS MUST BE MADE BY NOON ON THE DAY PRIOR TO THE DIVISION START DATE.** Only players with an established Fargo rating (minimum robustness of 200) may be added on-site.

Team Shirts

Team shirts are required during team competition. Each member must have his or her own team shirt. Borrowing the shirt of a teammate is not permitted. Please reference Dress Code A for more information.

General Player Eligibility

All players must meet both criteria below:

- Play at least **eight (8) matches** in a single division session **between Jan 1 and Dec 31, 2024**
- Remain active in the USA Pool League in 2025 (play at least two matches between Jan 1 and Feb 18, 2025)

Original Player Requirement

This does not apply to Ladies Teams. At least two (2) original players must play each match. An **“original player”** is defined as someone who has played at least eight (8) matches with the team in the final session prior to the end of 2024 (Dec 31, 2024). Teams may have more than two (2) original players and the status of being an original player may be confirmed by the USA Pool League. It is the Team Captain’s responsibility to confirm the status of their players upon registration.

Specific Team Eligibility

- Players and teams are only eligible to participate in team events in the game in which they became eligible.
- All Teams (men & ladies)
 - Must have at least five (5) USA Pool League qualified players with a maximum roster size of eight (8) players.
 - Must consist of at least two (2) original players. Two (2) sets of each match must be played by original players. An “original player” is defined above.
 - Non-original players must have played eight (8) matches with the **same exact team** entered in the tournament during any single division session during 2024.
 - No player may be rated higher than 720. If a player is rated 720 or below at the time of registration and his or her rating moves above 720 before the event, the entry fee will be refunded.
- Ladies Teams (ladies only)
 - Must have at least three (3) USA Pool League qualified players with a maximum roster size of five (5) players.
 - There is no original player requirement.
 - No lady may be rated higher than 660. If a player is rated 660 or below at the time of registration and her rating moves above 660 before the event, she will have her entry fee refunded.

Team Rating Limits

The team rating limit for all 5-player team divisions is 2,375 for the five (5) players who compete in the match. The team rating limit for all 3-player team divisions is 1,275 for the three (3) players who compete in the match. If a team surpasses the limit, it will be assessed one (1) penalty point for each point over.

Announcing Players & Pace of Play

All matches will be played on the number of tables assigned by the Tournament Director. Once a table is available, the team putting up the first player must name that player within two (2) minutes of the previous set’s conclusion. Once that player has been named, the opponent must name their player within two (2) minutes. Both players have five (5) minutes to report to the table after being named. If teams do not name players in a timely manner, they run the risk of forfeiting that set.

Format - CSI Group Play...All teams guaranteed at least 5 matches*

The team divisions use the CSI Group Play format consisting of a **Stage 1 - Group Stage** and a **Stage 2 - Single Elimination Final Bracket**. See below for the specific details of each stage. Sample score sheets can be found on the event webpage.

Stage 1 – Group Stage

- Each team plays five (5) matches*
 - 15 total racks per match for 8-Ball Teams, 10-Ball Teams, and 9-Ball Teams
 - 9 total racks per match for Ladies 8-Ball Teams
 - Each teammate plays a three-rack set against one player from the opposing team
- Matches are handicapped by FargoRate ¹
- Approximately 50% of the field will advance to Stage 2
- Team ranking criteria:
 - Match Win % ²
 - Avg. Points Per Match ³
 - Strength of Schedule ⁴
 - Shootout ⁵

Stage 2 – Single Elimination Final Bracket

- Teams advance to the Stage 2 single elimination bracket based on the CSI Group Play Stage 2 Advancement Table below. **NOTE: the goal is to advance 50%, but no more than 50%, of the field into Stage 2.**
- Wild card teams will be randomly selected.
- The Stage 2 bracket can, and often will, have some number of byes. Teams with higher rankings from Stage 1 will receive any available Stage 2 byes first.
- Stage 2 teams are seeded in the Stage 2 bracket by their Stage 1 ranking.
- Stage 2 matches will use the traditional USA Pool League format and scoring system with teammates playing full sets using the USA Pool League Race-To-Calculator (short races).

- The USA Pool League rack scoring method will be used and the appropriate number of handicap points, determined by the USA Pool League Team Handicap Calculator, will be applied to each match. The team with the most points, after handicap points are applied, wins the match. The USA Pool League Team Handicap Calculator can be found on the official event webpage.
- The number of matches won divided by the number of matches played.
- The total number of points scored, including handicap points, in all matches divided by the number of matches played. This will also be used to rank teams with the same match win %. For example, if two teams have a 60% match win %, the team with the higher average points per match will be ranked higher.
- This is the average Fargo rating of the opposing teams' entire roster. For example, if two teams have the same match win % and the same points per match average, the team that played stronger teams, on average, will be ranked higher.
- Cue ball is placed behind the head string and each core player (or subs for core players) for each team shoots alternating spot shots. The team with the most shots legally pocketed after all players have taken a shot, wins the shootout. If tied after all core players have taken one shot, it is sudden death.

*Excluding factors beyond the control of the USA Pool League such as forfeits, drop-out teams, no-shows, byes, etc. If a team receives a forfeit, they receive a match win (1.0 match win points) and other stats are unaffected. Byes do not count as a win or loss and are not included in the stats.

CSI Group Play Stage 2 Advancement Table

TOTAL # TEAMS IN DIVISION	# TEAMS TO STAGE 2 (50% max) ¹	# WILD CARD TEAMS (1 min / 7% max) ²	STAGE 2 BRACKET SIZE (single elim)	# TEAM PAYOUTS (25% max)
10-17	5-8	1	8	2 or 4
18-33	6-16	1	16	4 or 8
34-65	17-32	1-2	32	8 or 16
66-129	33-64	2-4	64	16 or 32
130-257	65-128	4-8	128	32 or 64
258-513	129-256	9-17	256	64 or 128

See example below.

- This is the range of the total number of teams that will advance to Stage 2. No more than 50% of the field will advance to Stage 2.
- This is the number of wild card teams that will be randomly selected for Stage 2. It is a minimum of one (1) and a maximum of 7% of the total number of Stage 2 teams. Teams that have forfeited any Stage 1 match are not eligible to receive a wild card spot.

Example: There are 92 teams in a division. Refer to the row that contains 92 in the first column (66-129). The table shows that the Stage 2 bracket will be a 64-team bracket. Because a max of 50% of teams advance, 46 teams will advance to Stage 2. Because a maximum of 7% of those 46 teams will be random wild cards, there will be three (3) random wild card teams and 43 teams based on performance. The top 16 teams will earn prize money.

- Total Teams to Stage 2:** 92 total teams x 50% = 46 teams
- Wild Card Teams:** 46 teams x 7% = 3.22. Since 7% is the maximum, this rounds down to 3 wild card teams.
- Teams by Performance:** 46 total teams – 3 wild card teams = 43 teams by performance
- Teams to Win Prize Money:** 92 total teams x 25% = 23. Because bracket sizes are 2, 4, 8, 16, 32, 64, etc., This rounds down to 16 teams.

CUESPORTS INTERNATIONAL (CSI) DIVISIONS

Check-in for singles divisions is not required. However, **it is your responsibility to know when and where you play**. The format is double elimination to the prize money rounds (Stage 1) and then switch to single elimination with a slightly longer race (Stage 2).

Eligibility

- CSI divisions are open to male and female players rated 720 or lower at the time of registration.
- Junior Singles divisions do not require any type of membership or league play requirements.
- All other players must be either league-qualified or a CSI member.
 - League-Qualified: must have played at least **eight (8) matches** in a single division session **between Jan 1 and Dec 31, 2024 and** remain active in the USA Pool League in 2025 (play at least two matches between Jan 1 and Feb 18, 2025).
 - CSI Member: a person who is not league-qualified but has a current CSI membership (\$40/year).

Individual Rating Increases

There is a 10-point individual rating cushion. If a person is rated 720 or lower at the time of registration but his or her rating naturally increases above 730, he or she will have the following options:

Option 1: Drop out of the division and receive a refund (minus admin & processing fees)

Option 2: Play and accept a one-game penalty in each match for every 25 points over 730

Example: A player had a rating of 717 at the time of registration but it naturally increases to 735 (5 pts. over the cushion), he will incur a one-game penalty in each match. If his rating naturally increases to 758 (28 pts. over the cushion), he will incur a two-game penalty in each match.
