

NOVEMBER 10 TO 12 2023

ELSINORE

The Return of the Elsinore Grand Prix!

In 1968, a few motorcycle racing fans got together and convinced the small farm town of Lake Elsinore, CA to host a motorcycle race through the local streets and hills surrounding it. Over time, the Elsinore Grand Prix became the biggest off-road motorcycle race in the country, drawing legends like Malcolm Smith, Mert Lawwill and even Hollywood icon Steve McQueen.

After several stops and starts, the famed event returns to a new venue to carry on its illustrious history. The Lake Elsinore Motocross Park will serve as the paddock and base camp for the weekend's activities, with the Johnny Campbell designed course running through some of the motocross track, through tunnels, over concrete pathways and winding through the trees surrounding the lake.

We have classes for all ages and skill, including the Harvey Mushman Classic [team race], a night race, Stacyc races, vintage and vet classes, two-stroke classes, a dual-sport class, e-bike races and a host of nightly activities that will keep both adults and little ones entertained throughout the weekend. Overnight camping available! Come celebrate Veteran's Day with us on November 10th, 11th and 12th as we celebrate 55 years of fun on two wheels!

This will be a 2 wheel event only for 2023, no Quad or UTV racing
