

8750 South Main St. Suite 105

Eden, NY 14057

716-698-5430

What we offer:

- **Epoxy Flooring** – Decorative flake systems, Metallic epoxy systems, quartz epoxy systems
- **Urethane Cement** – Breweries, commercial kitchens, factories
- **Polished concrete** – picture a Walmart or Home Depot floor
- **Concrete overlays**- Think stamped concrete. We can emulate the look of stamped concrete going over existing concrete. Any shape or pattern can be achieved. Endless opportunities.
- **Concrete surface prep**- We can achieve a CSP or Concrete surface profile from a CSP of 1 to 5 for the desired application you need prepping for.
- **Dust Proofing** – Grind and Seal
- **Removal of:**
 - VCT Tile
 - Ceramic Tile
 - Carpet
 - Mastics
 - Coatings
 - Glue
