

Saving Sage Animal Rescue Foundation, Inc.

a 501(c)3 animal rescue organization run solely by volunteers since 2014

We dedicate our time to the most urgent, abused and neglected animals in South Florida. We work diligently to change the world for animals through our youth educational programs, tackling the growing over population crisis in our community and by helping to provide microchip scanners and training to various police departments in an effort to reunite lost pets and keep them out of our local shelters.

As referenced above, we are a 100% volunteer led and operated not-for-profit rescue organization. Only the veterinary staff are paid — the rest of us do this for love of the cats and dogs that we rescue, care for and for which we find loving fur-ever-homes

We're funded solely through donations; not taxpayer money. Yet we tackle the issues — such as strays, pet overpopulation and animal abuse cases — that require community attention.

Our 9th anniversary of helping animals is fast approaching, and we'll be hosting a celebration/fundraiser at the Miami Shores Country Club on Thursday November 2nd from 5pm until 8pm

We ask you to consider a financial sponsorship — or a donation of goods or services or a gift-card to offer during our silent auction or as a raffle prize. May we count on you? In addition to knowing you're making a difference in the lives of animals, there's an added bonus: attendees are prospective clients and customers for your business!

If you'd like to attend — or simply purchase a ticket as a way of supporting us — tickets in advance are \$30, available at <https://www.eventbrite.com/e/saving-sage-animal-rescue-foundations-9th-year-anniversary-party-tickets-729354738657?utm-campaign=social&utm-content=attendeeshare&utm-medium=discovery&utm-term=listing&utm-source=cp&aff=ebdsshcopyurl>. Or \$35 at the door.

Please contact me at janet@janetcarabelli.com or 786-368-1551 to arrange pickup of your raffle or auction item, or for more information. I'll also be happy to provide links for donations or direct shipment of our most needed supplies.

Thank you for considering this request.
