Saving Sage Animal Rescue Foundation, founded in 2014, is a 501(c)3, not for profit 100% Volunteer led and staffed organization — only the Veterinary staff is paid.

We are not government funded; it is the kindness of animal lovers like you to donate the funds, food and time that enable us to care for the most urgent, abused and neglected animals in South Florida. With your help we can improve the lives of even more kittens, cats, puppies and dogs.
