

# OUR UNIQUE MODEL

## Partner with principals to develop a sustainable program in their school

- Integrate the music program into the school culture
- Demonstrate overall learning gains for students
- Coordinate to obtain maximum funding sources

## Equip teachers with the tools to succeed

- Equip digital music classrooms
- Provide training and professional development
- Assign mentors to provide resources and support
- Assist with curriculum design

## Provide exposure to career pathways for students

- Connect with local and online communities
- Foster growth mindset, curiosity, and innovation
- Promote digital music careers via exposure, experience, networking opportunities
