Black Teas

Buckingham Palace Garden Party

Flavoury with a medium body. Delicate Earl Grey and Jasmine notes. Bright with a touch of golden coppery colour. Perfect for afternoon settings.

Queen Elizabeth

Piquant flavor from tea estates in South India and Ceylon is superbly combined with malty Assam and toasty Darjeeling.

Versailles Lavender Earl Grey

French #1 super blue lavender transports a floral harvest of Provence to an intoxicating Earl Grey.

Yorkshire Harrogate

Few teas have such rich fullness and flavor. A light astringent cup becomes golden bright with milk.

Blackcurrant Flavoured Black Tea

Deep black currant aroma and flavor. Just imagine a currant bush full of berries. Stunning as an iced tea.

Other Teas

Hibiscus Herbal Tea - Caffeine Free

A lovely deep red infusion similar to grenadine with a taste close to lemonade.

Bohemian Raspberry Green Tea

Ooh-la-la refreshing raspberry with smooth green tea notes.

Indian Spiced Chai Tea

Superb body with mellow Indian spice notes. Coppery bright and very enticing with milk; creates a sensory trip to the sub-continent.
