FRAIL CARE

At Gerimed Retirement Village, it is our belief that your retirement should be one of quality care, convenience and peace of mind. We offer exceptional elderly Health care and Frail care options, to suit your needs.

- He/she gets 3 meals a day which is served in the diningroom. Tea/coffee is also provided.
- All his/her laundry is washed on the premises. Please make sure the clothing is marked as all patient's items get washed in laundry on premises.
- The room has DSTV point (every person to bring their own DSTV decoder and TV), heater on wall, and a nurse-call bell.
- Residents to bring their own bedding and clothing. Daily cleaning of the room is done by our cleaning staff.
- Items to bring - medications, doctor's prescription, specific wound care supplies, clothing, toiletries, photos and things that would make him/her feel more at home.
- We have a hairdresser every Wednesday and beauty therapists whose services are at a discounted rate, but not included. Should a haircut or pedicure be required, the family can lock the cash payment away with administration office.
- Visiting times: 10am -11:00am,3pm -15:30 pm. If you would like to take him/her out during the day you are welcome to, we just need to be made aware of any outings.
- We supply diapers, we get it direct from supplier at cheaper rate. Otherwise, the family is to provide diapers if needed.
- His/her own doctor (GP) is used for consultations if needed. 24/7 assistance. A sister/staff is on duty during the day/night.
- Please provide a pharmacy account with our local pharmacies, from which his/her medications and over the counter treatments must be ordered. The medical aid / private account will be invoiced by the pharmacy accordingly.
- No over the counter treatments will be ordered without your approval.
