

Enneagram with Emily

ENNEAGRAM WORKSHOP • 4 HOURS

- Through this workshop, participants will better understand the strengths and challenges of the nine Enneagram types at work.
- This workshop is filled with practical information and tips that participants will immediately be able to apply to their work.
- Comprehensive handouts are included for further learning after the workshop.
- Prior to the workshop, the participants will receive an online Enneagram test code. The test takes 30 minutes to complete. Each test result comes with personalized explanations and useful information.

Team Takeaways

- ✦ A list of characteristics to look for in co-workers or clients that will give insight into their motivations
- ✦ Increased understanding and awareness of themselves and others which leads to a better understanding of the dynamics within the team
- ✦ Insight into personal strengths and how they can be utilized within a team
- ✦ Decreased frustration and improved relationships after learning how others view the world in nine different ways
- ✦ Awareness of self-defeating habits through understanding the motivations behind behavior
- ✦ Improved workplace culture through a better understanding of how each person is wired

LEARNING THE ENNEAGRAM WILL:

Increase your compassion ● Decrease your frustration ● Improve your relationships
