

### Responsibility Statement

*I am responsible when anyone,  
anywhere, reaches out for help,  
I want the hand of AA always to be there.  
And for that, I am responsible.*

### Serenity Prayer

*God grant me the serenity  
to accept the things I cannot change,  
the courage to change the things I can  
and the wisdom to know the difference.*

### The 3rd Tradition of AA

*The only requirement for AA membership  
is a desire to stop drinking.*

### The Promises

*If we are painstaking about this phase of our  
development, we will be amazed before we are  
halfway through. We are going to know a new  
freedom and a new happiness. We will not regret  
the past nor wish to shut the door on it. We will  
comprehend the word serenity and we will know  
peace. No matter how far down the scale we have  
gone, we will see how our experience can benefit  
others. That feeling of uselessness and self-pity will  
disappear. We will lose interest in selfish things  
and gain interest in our fellows. Self-seeking will slip  
away. Our whole attitude and outlook upon life will  
change. Fear of people and economic insecurity will  
leave us. We will intuitively know how to handle  
situations which used to baffle us. We will suddenly  
realize that God is doing for us what we could not do  
for ourselves. Are these extravagant promises?  
We think not. They are being fulfilled among  
us – sometimes quickly, sometimes slowly.  
They will always materialize if we work for them.*
