

Responsibility Statement

*I am responsible when anyone,
anywhere, reaches out for help,
I want the hand of AA always to be there.
And for that, I am responsible.*

Serenity Prayer

*God grant me the serenity
to accept the things I cannot change,
the courage to change the things I can
and the wisdom to know the difference.*

The 3rd Tradition of AA

*The only requirement for AA membership
is a desire to stop drinking.*

The Promises

*If we are painstaking about this phase of our
development, we will be amazed before we are
halfway through. We are going to know a new
freedom and a new happiness. We will not regret
the past nor wish to shut the door on it. We will
comprehend the word serenity and we will know
peace. No matter how far down the scale we have
gone, we will see how our experience can benefit
others. That feeling of uselessness and self-pity will
disappear. We will lose interest in selfish things
and gain interest in our fellows. Self-seeking will
slip away. Our whole attitude and outlook upon life will
change. Fear of people and economic insecurity will
leave us. We will intuitively know how to handle
situations which used to baffle us. We will suddenly
realize that God is doing for us what we could not do
for ourselves. Are these extravagant promises?
We think not. They are being fulfilled among
us – sometimes quickly, sometimes slowly.
They will always materialize if we work for them.*
