South Charlotte Partners, Inc. is excited to present an interstate Regional Transportation Summit on March 25, 2019 from 9am-2pm in Charlotte, NC at the Ballantyne Hotel. We are inviting you to sponsor this important event.

As transportation and infrastructure are the most pressing issues affecting the south Charlotte region in North Carolina and South Carolina - this summit will bring together all federal, state and municipal stakeholders to discuss how best to address current and future transportation needs.

We understand that addressing this issue requires a regional approach as much of the increased volume is a direct result of economic development along the state border. Therefore, we have invited NC Governor Cooper, SC Governor McMaster, Senator Thom Tillis, Congresswoman Alma Adams, Congressman Ralph Norman, NCDOT Secretary Trogon, SCDOT Secretary Hall, and officials from CDOT, CATS, NC Turnpike Authority and MPO leaders representing Charlotte and surrounding South Carolina counties.

Also, connectivity and mobility are vital to economic development and maintaining the vibrancy of the area to recruit companies and workers alike. Therefore, we are inviting several economic development organizations, business leaders, elected officials and community leaders to participate in the summit – and expect approximately 120 leaders to attend.

We are proud to announce that Atrium Health is a Platinum Sponsor and we encourage you to join them in supporting this event! Attached, please find a Proposed Agenda and the Sponsorship Opportunities list.

Please feel free to learn more about the event at www.southcharlottepartners.org and contact Tracy Hill at tracy.hill@wilkinsonera.com with any questions or concerns. Thank you for your consideration and understanding of this important interstate need.

Best Regards,

Victoria Nwasike
