REFERRAL PROGRAM

Share our workshops and earn rewards for your school/service!

1. Unique Referral Code: Each school receives a code to share with other schools/services after visit.
2. How it works:
 - When a new school/service books a workshop using your referral code:
 - You receive a 10% refund on your current booking.
 - The referred school/service receives 10% off their workshop.
 - Subsequent referrals earn you 10% off your next bookings:
 - 1st referral → 10% refund on current booking
 - 2nd referral → 10% off your next booking
 - 3rd referral → 10% off your following booking
 - Additional referrals continue the same pattern – each counts toward future booking discounts.
3. Limits & Timing:
 - Referral rewards only apply to confirmed and paid bookings.
 - If a referred school cancels before payment, your reward does not apply.
 - Future booking discounts are valid for 12 months.
4. Spread the word: There's no limit to the number of schools/services you can refer!

CANCELLATION POLICY

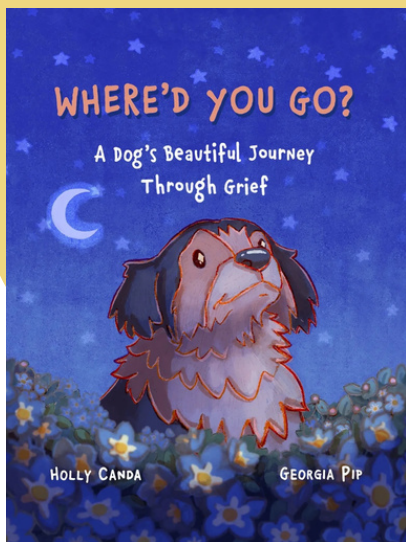

We understand plans can change. Our cancellation policy ensures fairness for both parties:

TIMING OF CANCELLATION	REFUND / CREDIT
More than 14 days	Full refund minus \$50 admin fee OR full credit toward a future booking
7-14days before	50% refund OR 50% credit toward a future booking
Less than 7 days before	No refund; credit may be offered at discretion
Same day cancellation / no show	No Refund

Notes:

- Credits are valid for 12 months from the original booking date.
- Refunds are processed within 14 days of a cancellation request.
- Referral rewards are only applied after the referred school confirms and pays.
- If a referred school cancels after payment, the referrer keeps any reward already applied; future booking discounts only apply to subsequent completed bookings.
- Zoom sessions may be rescheduled due to technical issues; refunds follow the same timing rules.
