About Us

A safe welcome space for all of the community

The Dove Café is a vibrant café and community space serving Beaconsfield. It is a place where everyone is welcome. A place to connect our community – to each other, to good food, to activities, to access support and to fellowship at St Thomas' Church.

We are part of St Thomas' Church, but the café is run by staff, volunteers and advisors from the wider community. We are a non-profit making project and any surplus from the café is reinvested into the community.

If you would like to join the volunteer team to deliver our vision, please speak to a member of the team today. Join us and help us build a community where everybody belongs.
