As we reflect on this past summer at our daycare, we are filled with gratitude and joy for the delightful memories created together. Our summer was marked by exciting excursions and fun-filled days. A heartfelt thank you goes out to everyone who attended our recent BBQ event. Your participation and support made it a memorable day filled with laughter, delicious food, and wonderful community spirit. It's moments like these that truly exemplify the warmth and togetherness of our daycare family.

What's New

We're thrilled to announce a new way to stay connected with you at our daycare center! Starting this month, we'll be implementing QR codes strategically placed around the center for your convenience. Simply scan these codes with your smartphone to instantly access important updates, event details, and more, right at your fingertips. Alongside traditional emails, QR codes provide a direct and efficient way to stay informed about all things happening at TPDCC.

Sharon Simmons:
Daycare Supervisor

As we embrace the vibrant colors of fall, we're excited to share some important updates and reminders from our daycare community.

Truth and Reconciliation- On September 30th, we invite everyone to wear orange in recognition of Truth and Reconciliation Day. This day holds profound significance as we honor and reflect upon the experiences of Indigenous peoples in Canada. Let's stand together in solidarity and remembrance.

The return to school in September marks a significant uptick in road user activity at Thorncliffe park especially with all the construction particularly during morning drop-offs and afternoon pick-ups. This underscores the need for heightened vigilance and adherence to road safety measures. Please ensure you are following the commands of the workers and that children are walking near you.

Trudy Watts:
Schoolage Supervisor

Each parent is automatically entered into our raffle draw

Don't miss our **Parent Workshop on Managing Challenging Child Behavior** happening this month on **Thursday, September 26th!**

This workshop will be a great opportunity to learn effective strategies to better understand and manage challenging behaviors in young children. Whether you're looking for practical tips or insights into behavioral development, this session will provide valuable information for parents and caregivers.

Registration for this event is required, so please sign up early to secure your spot.

“Where the journey begins”

The Daycare and schoolage children had an incredible summer filled with a variety of fun and educational experiences. During their trips, they learned about different environments and animals at the African Lion Safari, where they explored the importance of wildlife conservation and animal behavior. On the Pirate Ship adventure, they developed teamwork and problem-solving skills as they worked together on pirate-themed challenges.

At Richmond Green Splash Pad, they experienced water play, enhancing their coordination and confidence in physical activities. Special events like Sports Day encouraged teamwork, sportsmanship, and healthy competition, while Picnic in the Park provided an opportunity to enjoy nature and practice mindfulness in outdoor settings.

Parent Engagement fostered stronger bonds between children and their families, as they shared their summer experiences, enhancing communication and family involvement. Each activity contributed to their social, emotional, and physical growth, making this summer both fun and enriching!

Social Skills Development

Our staff help children acquire vital skills such as listening to others, self-expression, making friends, turn taking, cooperating and taking responsibility for their actions.

Holistic Growth

We are committed to providing an environment that empowers children to reach their full potential. Since a child's main method of learning and developing in the early years is play, RECEs along with Educational Assistants create opportunities to explore, observe, experiment, solve problems and learn from mistakes.

A Better
Start in life!

PARENT RESOURCES

Crafty Parent

Got some extra household items lying around? If you have paper, cotton buds, ear swabs, or similar items, you already have the makings of a fun and creative family craft! It's that easy. We encourage you to use these simple supplies to make beautiful fall canopies that the whole family can enjoy creating together. This is a wonderful way to spend quality time and welcome the autumn season with some hands-on fun.
