

RocketExecs LEADERSHIP CIRCLE 2026

C-Level Peer Mastermind + Practical Leadership Workshops for Your Team

You don't need business school to lead well. You need clear tools, practice, and a style that fits who you are. RocketExecs helps leaders build strong management basics and a leadership style that feels real – calm, clear, and effective.

Who RocketExecs is for

- COOs, CFOs, CMOs, and other C-suite leaders who report to the CEO
- Senior functional leaders stepping into bigger leadership responsibility

Membership investment: \$750 per month

2026 dates & time

All sessions are Wednesdays in the San Luis Obispo area, 10:00 AM–12:00 PM.

What membership includes

- Monthly Leadership Circle meeting (90–120 minutes): confidential peer support, issue processing, and accountability
- Monthly leadership workshop (120 minutes, includes a 15-minute break): members can invite their leadership teams
- Simple tools + practice that transfer directly to the workplace

Our focus: lead with authenticity

When you lead as your best self (not a “boss mask”), you create calm and clarity, earn trust, and help your team perform better. Uses insights from VIA Strengths and the Four Tendencies.

2026 workshop curriculum (10 sessions)

Jan 14 – The Authentic Manager – Know your leadership strengths and your “stress habits.”
Mar 11 – Communication That Works – Clear expectations, better listening, fewer misunderstandings.
May 13 – Managing People Basics – Roles, expectations, accountability, and follow-through.
Aug 12 – Culture by Design – Build team standards: what you tolerate and what you celebrate.
Oct 14 – Influence and Leadership Perception – How trust is built (and lost). Intent vs. impact.

Feb 11 – Leading Yourself First – Energy, boundaries, and staying steady under pressure.

Apr 15 – Feedback Without Drama – Give and receive feedback without defensiveness.

Jun 10 – Delegation Without Micromanaging – How to trust people and still get great results.

Sep 9 – Leading with WHY – Motivate people with meaning and direction.

Nov 11 – Conflict, Humility, and Repair – Hard conversations, staying calm, and fixing problems fast.

Each workshop includes: a big opening question; a quick self-check; a short video; simple teaching (3–5 tools); practice; top takeaways + a one-week action step.
