WELCOME FROM THE EXECUTIVE DIRECTOR

We want to thank all of our tenants for working with us as we navigate through the government shutdown.

We are looking forward to the holidays and the many activities we have planned for November and December.

The houses looked great for the Halloween decorating contest and can't wait to see all the Christmas lights for the next contest.

We are getting ready for some Planning and Development sessions for the tenants and community. Please join us as we continue with our strategic plan. More information will be sent out.

Also, in November, we are getting ready for yearly housing inspections. We will send out notices soon. Please contact our office should you have any questions.

PLANNING & DEVELOPMENT

PNHA will host a three-day Planning Week, November 12–14, to engage the Board, community members, and key partners as part of the ongoing Strategic Housing, Land Acquisition, and Land Use Plan.

Day One (Wednesday, Nov 12) focuses on the PNHA Board and Housing staff in facilitated working sessions led by SEE Renewal (SEER) to reflect on priorities and guide key decisions.

Day Two (Thursday, Nov 13, 10:00 a.m.–7:30 p.m.) offers a schedule-friendly, drop-in community meeting open to the public, designed to enrich the plan with resident feedback. The interactive format will feature rolling planning huddles, micro-sessions, planning stations, mapping exercises, and hybrid participation. SEER will facilitate throughout the day, while PNHA Staff & Board will host two hybrid 101 micro-sessions: Homeownership 101 (12:00–12:30 p.m.) and Renter Stability 101 (5:00–5:30 p.m.).

Day Three (Friday, Nov 14) is reserved for key partners, with discussions aimed at converting community priorities into actionable, mutually beneficial agreements with Tribal partners, city/county agencies, financial partners, training providers, employers, and landlords; SEER will facilitate the partner track - coordinating cross-agency alignment, documenting commitments, and translating agreements into an action plan with owners, timelines, and near-term funding steps. PNHA looks forward to using Planning Week to gather meaningful input, strengthen relationships, and secure the commitments needed to improve housing across the Pawnee Nation's original jurisdiction - addressing homelessness and housing insecurity, enhancing wraparound services, and supporting a stronger local economy for all.

the last phases of the grant and the Housing Authority is happy to have as a part of the team.

STAFF TRAINING

Our staff attended an ONAP Training in Oklahoma City on August 28 & 29 on NAHASDA Financials which was an in-person training and on October 21 & 22 staff attended a HUD training on the Conveyance Process for the Lease Purchase Program. The Conveyance training was a 2-day virtual training.

BOSSES DAY

October 16th was National Bosses Day. The PNHA celebrated our Executive Director, Ms. Linda Jesters for her leadership and dedication to the Housing Authority. Her acts of kindness and empathy does not go un-noticed.

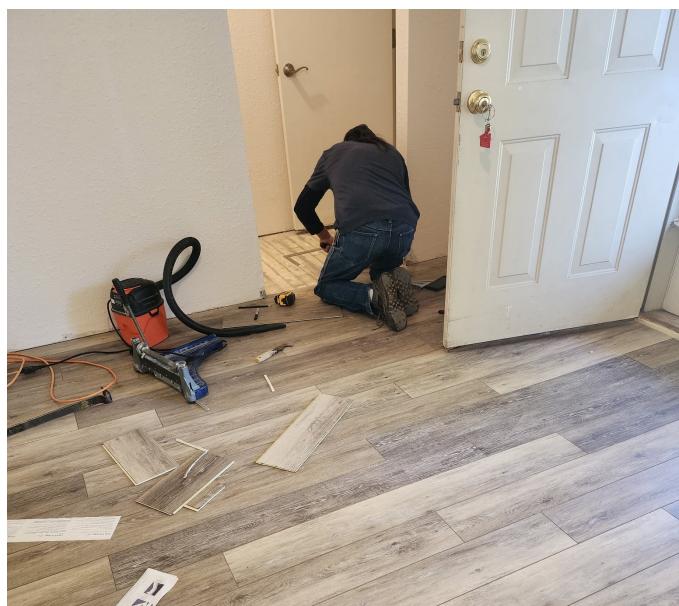

Thank you Ms. Linda for all you do for our PNHA and Pawnee Communities.

HOUSING STAFF ACTIVITIES

MAINTENANCE ACTIVITIES

Our maintenance staff have been busy these past few months with mowing and weed eating, working on work orders, filter changes, and helping with the program projects for Housing.

Right now we only have our Maintenance and Construction Coordinator, George Pratt, on duty, so please have patience with us as we try and fill work orders. We are limited in spending so big items may not get replaced at this time. Should our tenants have any concerns, please contact our office.

GOVERNMENT SHUTDOWN

We wanted to update our tenants on the effects we have had due to the government shutdown.

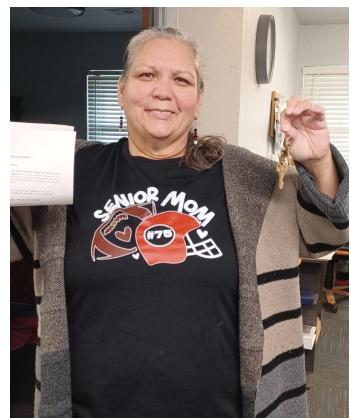

In the middle of October, we had to lay off our contract workers until we are able to drawdown funds from the eLOCCS secure system. Our office has been working with HUD to get access to the system and get this completed on our end. Further assistance is needed on HUD's end for approvals and then we will be able to continue business as usual.

This also affects our assistance programs for youth, college, rental/utilities and homeowners assistance. We will let our tenants and clients know when we are able to continue these programs.

If you have any questions, please reach out to our office or come by and see us. We thank you for your patience and cooperation as we navigate the best we can during this shutdown of the government.

LEASE PURCHASE CONVEYANCE

Congratulations to one of our Lease Purchase Program Homeowners, Mary Hawkins, on the recent purchase of her home through the Program. She was given the keys and deed to her home on October 28th.

ACTIVITIES

REPP MEETINGS

The PNHA and the PN REPP Program is continuing with meetings and planning to complete the phases outlined in the grant. A lot of planning is going in to deploying additional sensors, working on the development with our vendor to start the construction of the solar garden, upcoming workforce development opportunities, and additional workshops for our clients.

We will have more to report as the grant continues through the phases.

Ingredients:

2 can cream of chicken soup
2 can chicken broth (15oz each)
1 stick butter or margarine
1 lb chicken breast (fresh or frozen)
1 package frozen egg noodles (24oz) Reames

Instructions:

1. In the crockpot put the chicken on the bottom. Pour the chicken broth and soup on top. Then top that with the stick of butter. Put the crockpot on low for 6-7 hours.
2. Take the chicken out and shred. Put back in crockpot. Add the frozen noodles and cook for 2 more hours. (stir every 30 minutes until done.) Serve and enjoy!

3 Ingredient No-Bake

Hershey's Pie

Ingredients:

1 (6oz) pre-made graham cracker crust
1 (8oz) tub of Cool Whip (thawed in fridge)
6 regular sized Hershey's Chocolate Bars (about 9 ounces)

Instructions: Break apart your Hershey's Bars and reserve 2-4 pieces for garnishing the pie later. Place them in a microwave safe bowl and heat for 20-30 second increments until the chocolate is melted. Add the thawed Cool Whip to the melted chocolate and mix until well combined. Spoon the mixture into your prepared pie crust, and then use a cheese grater to garnish the top with any chocolate you have set aside. Refrigerate and chill for a least 3 hours or overnight before slicing.

Carlota De Cafe

Ingredients:

8oz cream cheese, room temperature
1 can La Lechera Sweetened Condensed Milk
2 teaspoons vanilla extract
½ teaspoon cinnamon
12 oz strong brewed coffee (cold)
3 ½ cups heavy whipping cream, cold
2-3 packages of Maria cookies
½ Tablespoon cocoa powder
1 teaspoon instant coffee

Instructions:

In a large bowl, or bowl of a standmixer fitted with the whisk attachment, add room temperature cream cheese, La Lechera sweetened condensed milk, cinnamon, vanilla, and strong brewed coffee. Whisk using a hand mixer or the stand mixer until combined.

Add heavy cream and whip on the highest setting until the cream forms soft peaks. This may take a little bit, just be sure to keep whipping until nice and fluffy.

Spread a thin layer of the coffee cream over the bottom of a 9x13 pan, then top with Maria cookies in an even layer. Add a third of the coffee cream over the top, then repeat the layers, finishing with a layer of the coffee cream on top. Cover with plastic wrap and place in the fridge overnight to set.

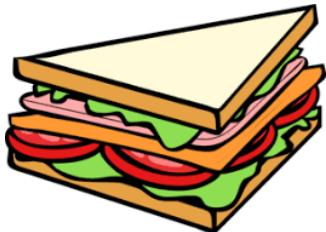

Just before serving, in a small bowl, mix cocoa powder and instant coffee together. Lightly dust the top of the carlota with the cocoa/coffee mixture using a fine sieve or sifter. Slice and enjoy!

ROAD NOW OPEN

Yay! The railroad crossing on Morris Road is now open! It has been a long few weeks with the closure of the road.

To stay safe at railroad crossings, always slow down, look both ways, and be prepared to stop at designated crossings. Never drive around lowered gates, and ensure your vehicle can completely clear the tracks before crossing to avoid getting stuck. If your vehicle stalls on the tracks, evacuate immediately and call the emergency number posted at the crossing.

These are some helpful tips that were posted on the Pawnee Nation's Facebook page.

EMERGENCY MANAGEMENT

The City of Pawnee Fire Department thanked the Pawnee Nation of Oklahoma Fire Department for the use of a new Honeywell BW Max Multi-Gas detection meter.

This meter was purchased by the Pawnee Nation Fire Department through a federal grant and they are issuing out these meters, under an equipment loan program, to the surrounding fire departments that represent their territorial boundaries. This meter is an active sampling meter designed to alert the operator when the atmosphere they are entering starts to become dangerous. This active sampling meter checks for: H2S (hydrogen sulfide), CO (carbon monoxide), O2 (oxygen), LEL (lower explosive limit).

This meter can also have a sampling line attached to it that will assist the user in finding a gas leak or find a CO leak around an appliance.

More good things to come at the Pawnee Volunteer Fire Department and thank you for your continued support. All the information from this article was taken from the City Fire Departments Facebook page.

PAWNEE NATION PRINCESS

Pawnee Nation Princess, Cora Pratt has been busy the past few months. We took the following information from the Pawnee Nation Princess Facebook page. Please go like and follow her page @PawneeNationPrincess.

Below the headline is a sub-headline "'We have to work together'". The article was published on Oct 13, 2025, and updated 9 hrs ago. It includes a photo of a crowd at a parade, with people holding up signs that read "A", "R", "U", "I", "E", and "S".
