

July 20 – 24, 2026

CONFERENCE THEME

The 17th DBMC conference focuses on the impact of climate change and novel technologies on durability and performance of building materials and components.

CONFERENCE SCOPE

- Climate Change and Environmental Resilience
- Reducing Greenhouse Gas Emissions and Other Environmental Impacts, Decarbonization of Buildings
- Evaluation of, and Testing for, the Durability of Building Materials and Components
- Rapidly Developing Technologies in Construction
- Integrating Affordability and Resiliency in Buildings

IMPORTANT DATES

Abstract Submission: Aug. 31, 2025
Abstract Acceptance: Oct. 1, 2025
Full Paper Submission: Jan. 15, 2026
Early Registration Opened: Feb. 20, 2026
Revised Paper Submission: Mar. 31, 2026

CONFERENCE CHAIRS

Early Registration Closed:

Concordia University

- Professor Hua Ge
- · Professor Leon Wang

National Research Council Canada

- Dr. Michael Lacasse
- Dr. Marzieh Riahinezhad
